**"Help! Help! Our town is being invaded by giant insects!"
shout the villagers.**

But not even the sheriff can stop Kickback, Ravage, and Laserbeak from chasing everyone out of town.

"Phase 1 is done!" the Decepticon Shockwave, says.
"Now it is time for Phase 2! Constructicons—destroy the village!
Make room for our fuel plant!"

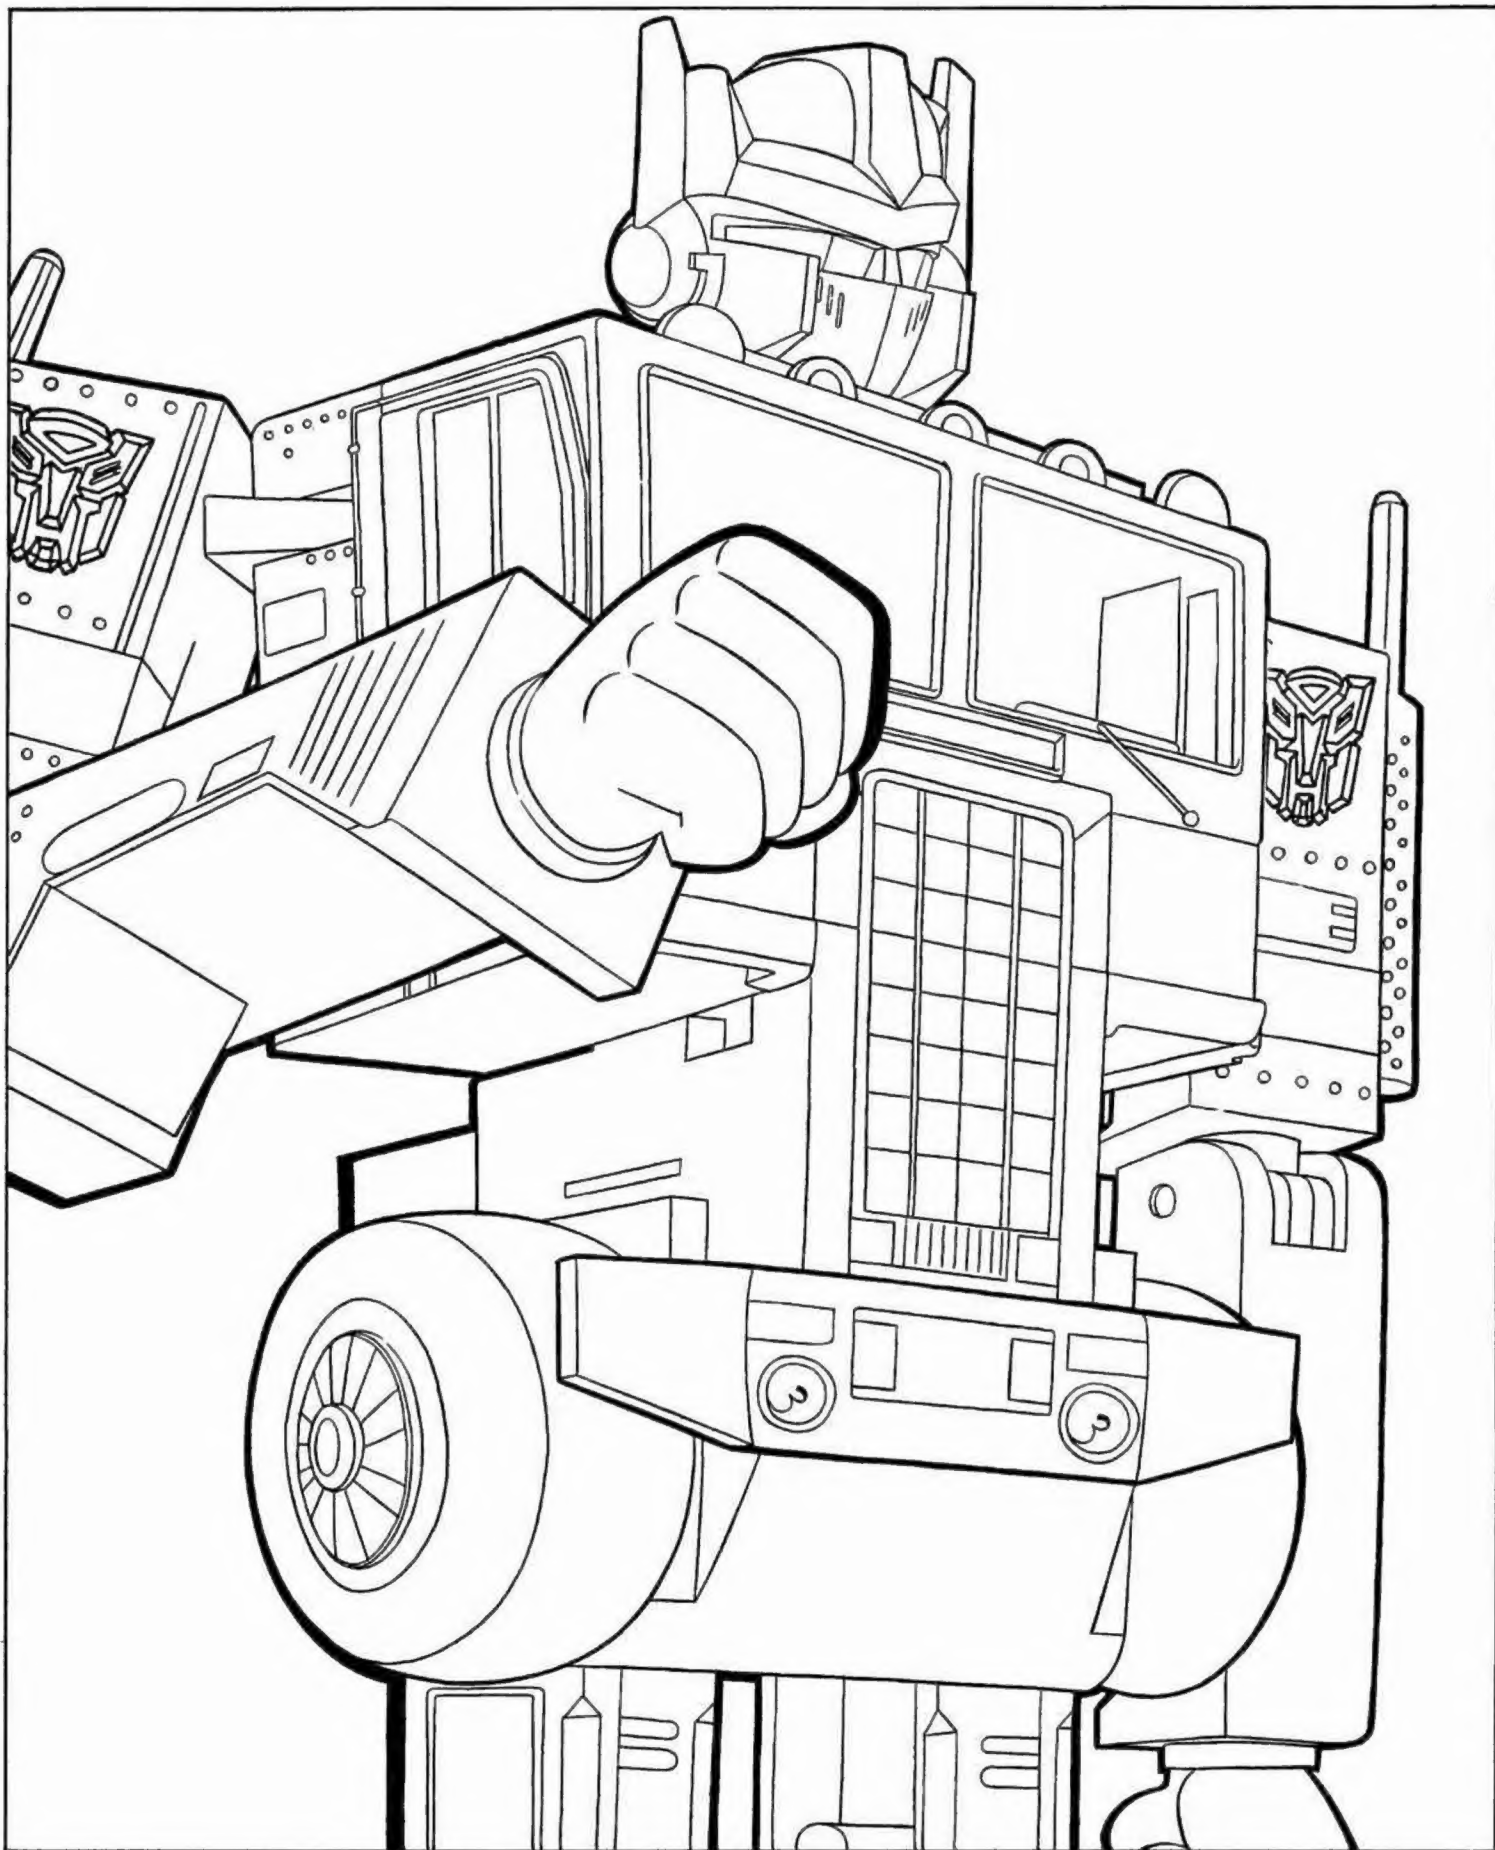

"When Shockwave gives a command, the Constructicons instantly obey!" shout the Constructicons.

"The Autobots won't discover our new fuel plant until it's too late!" says Scavenger.

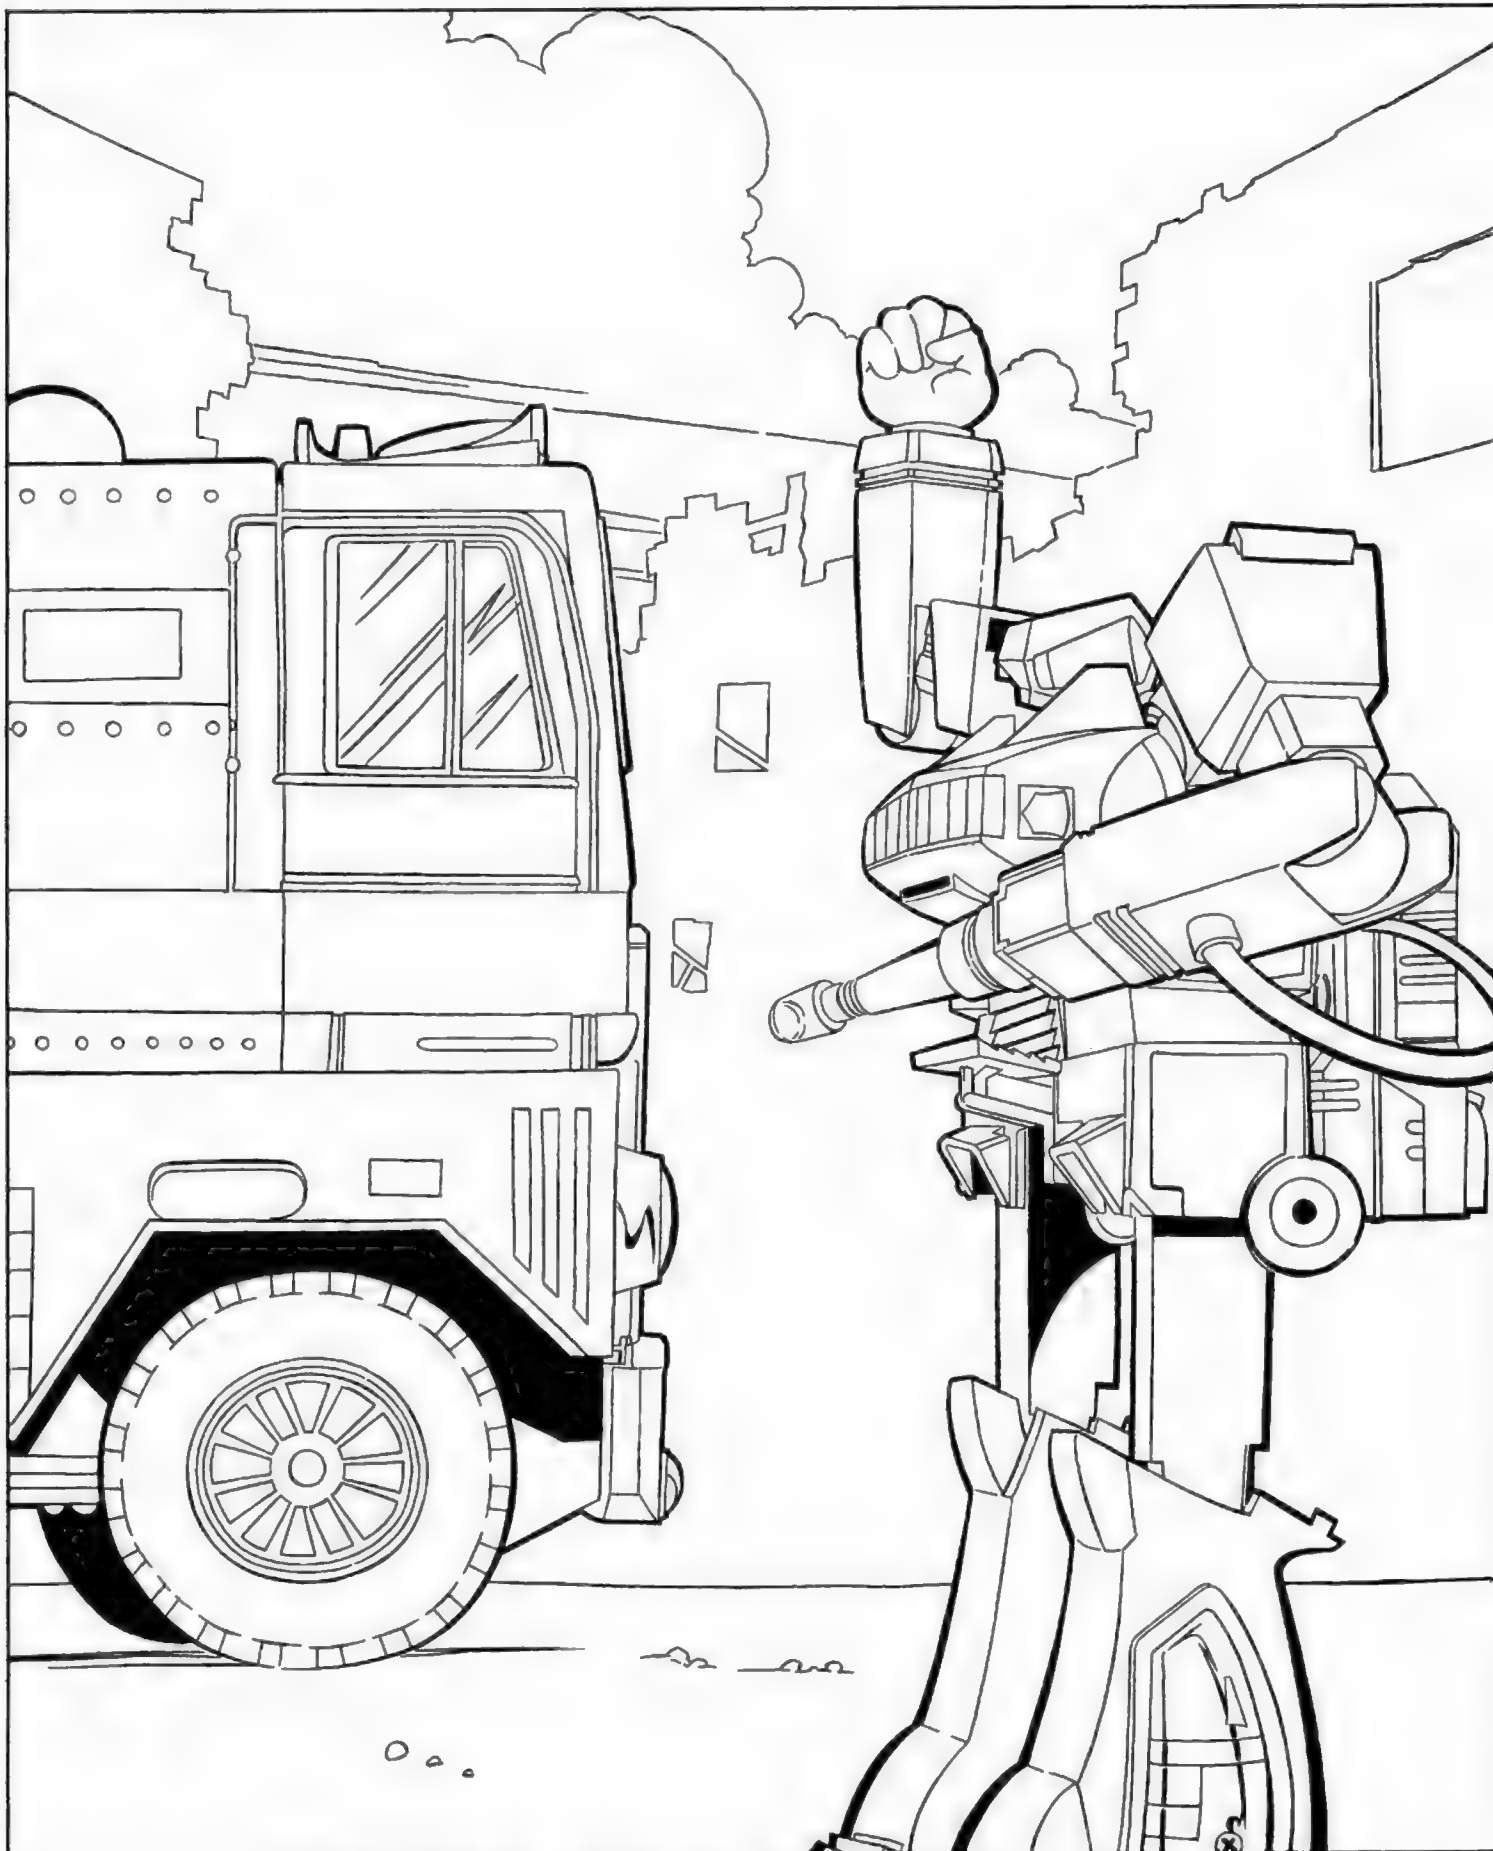

But Scavenger is wrong! The Autobot Space Station, Cosmos, is watching everything! "I must warn Optimus Prime!" says Cosmos.

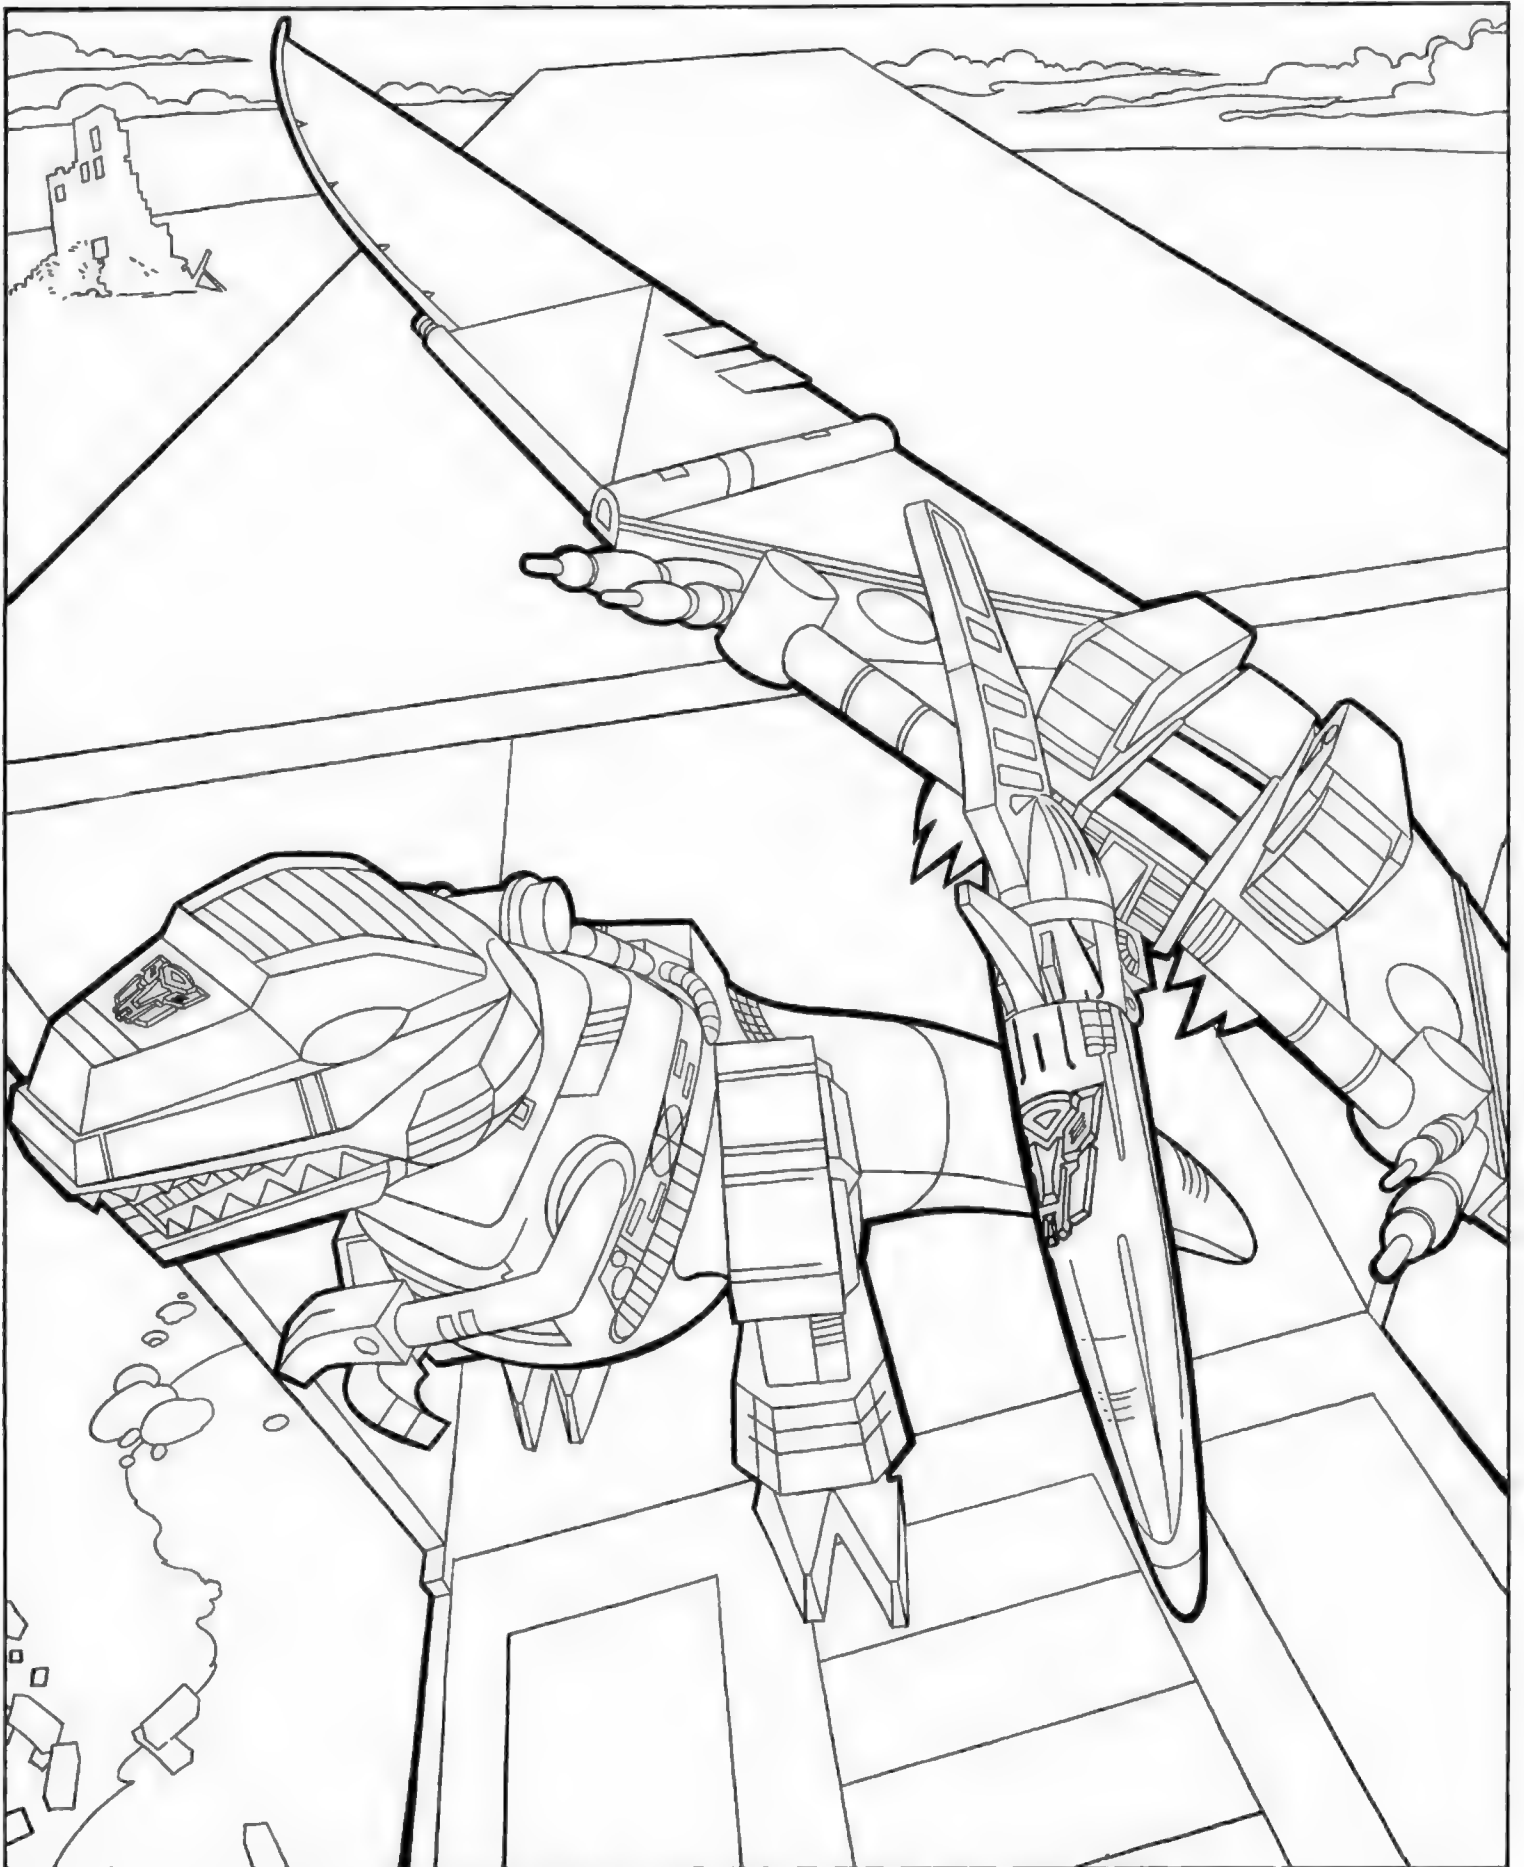

Optimus Prime listens to Cosmos' urgent message. "Thanks Cosmos!" says Optimus Prime. "We'll stop the Decepticons."

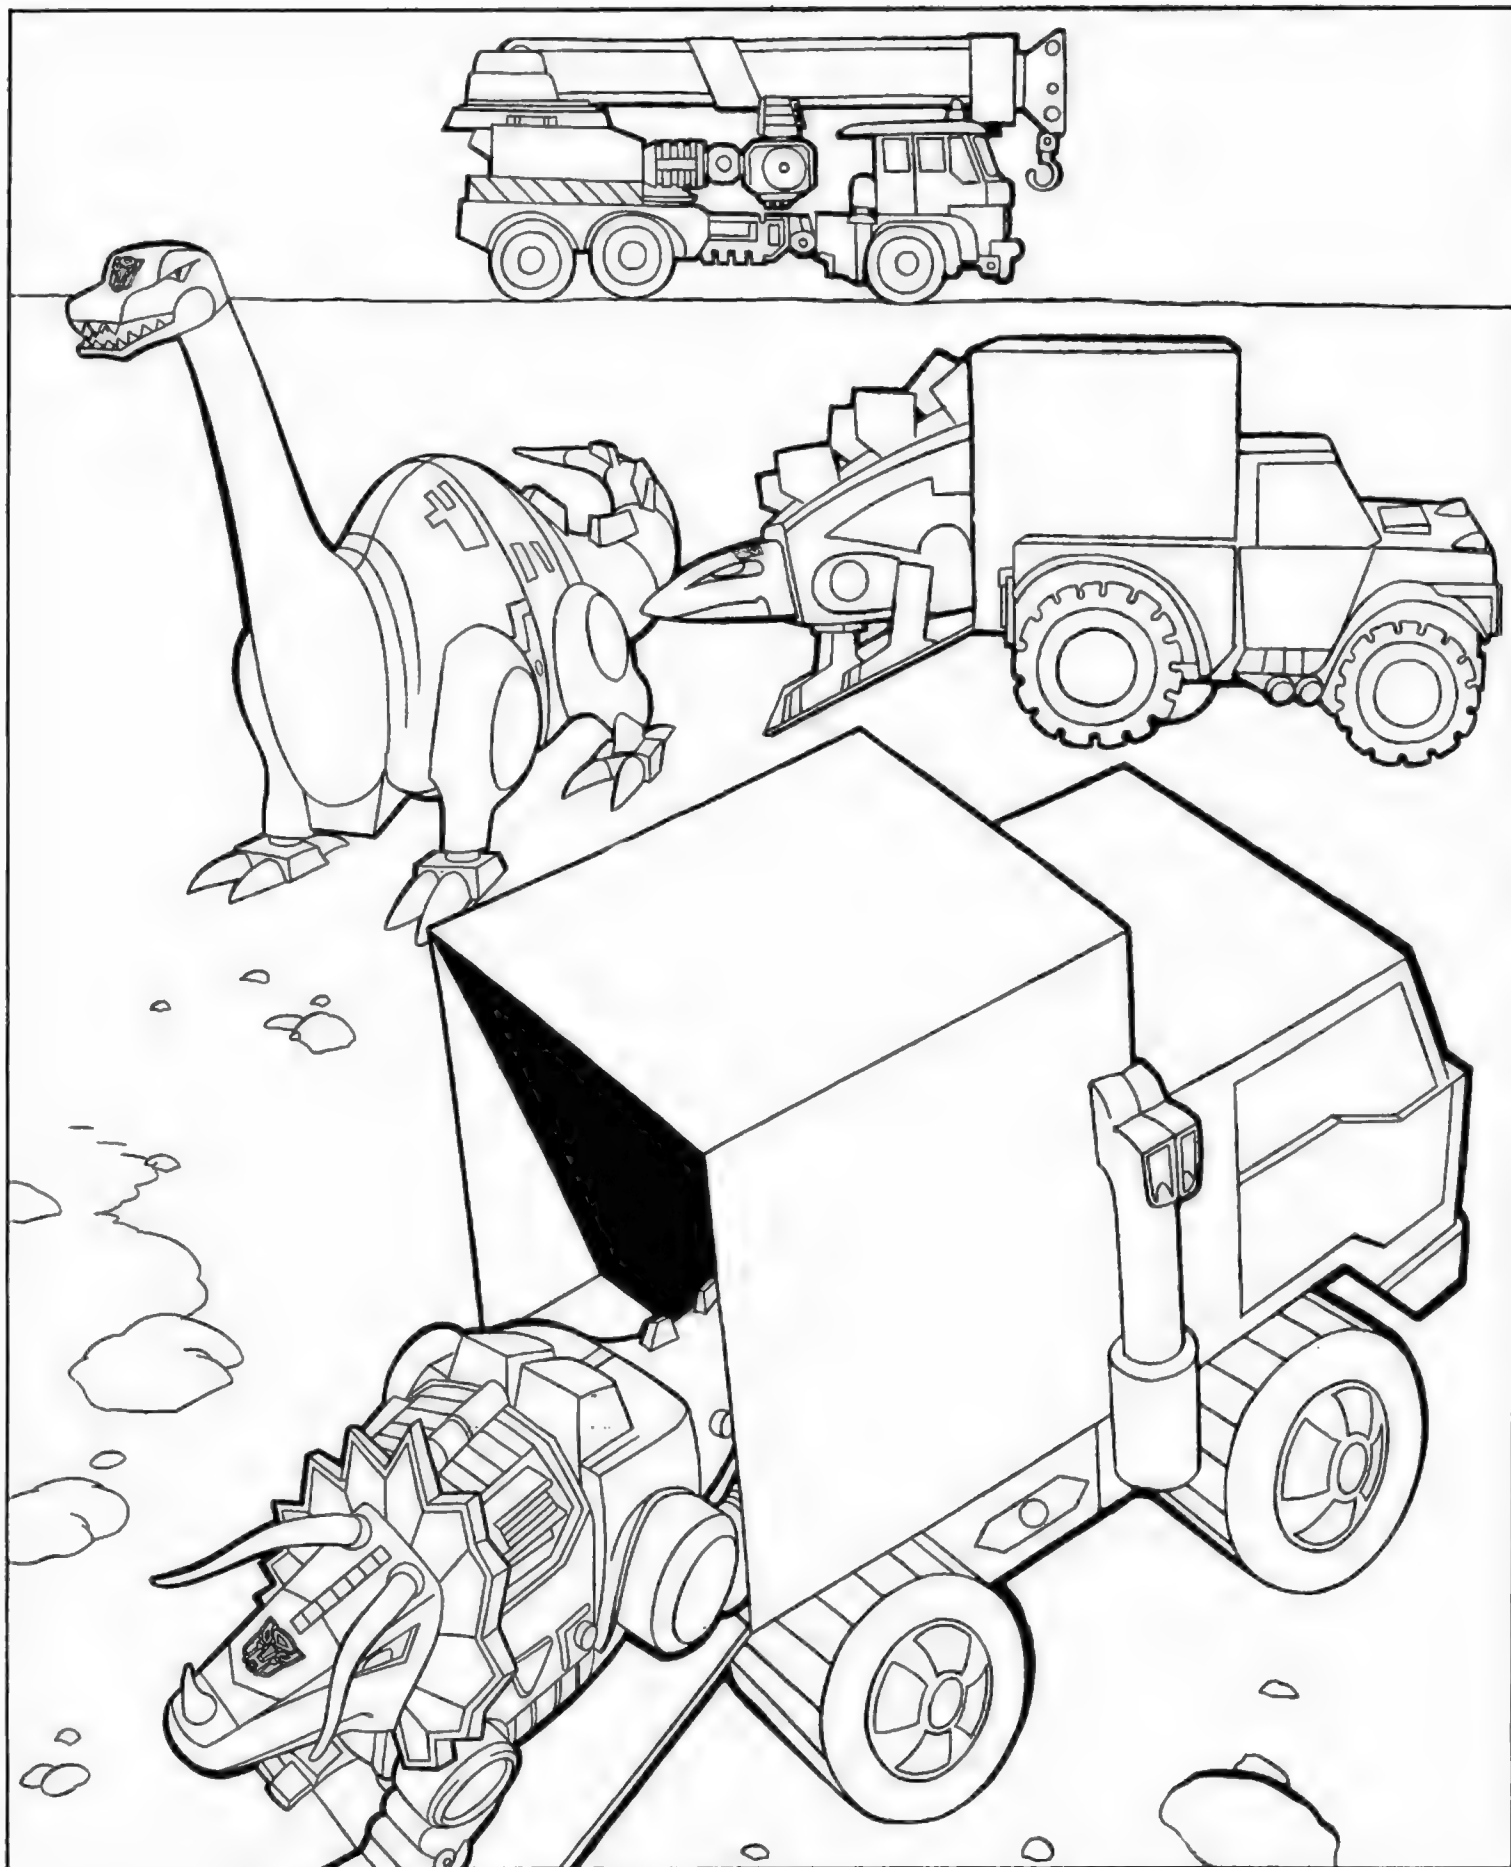

Soon a convoy approaches the wrecked village. "Beep! Beep!
We have a load of supplies for Shockwave and his Decepticons!"
the lead truck says.

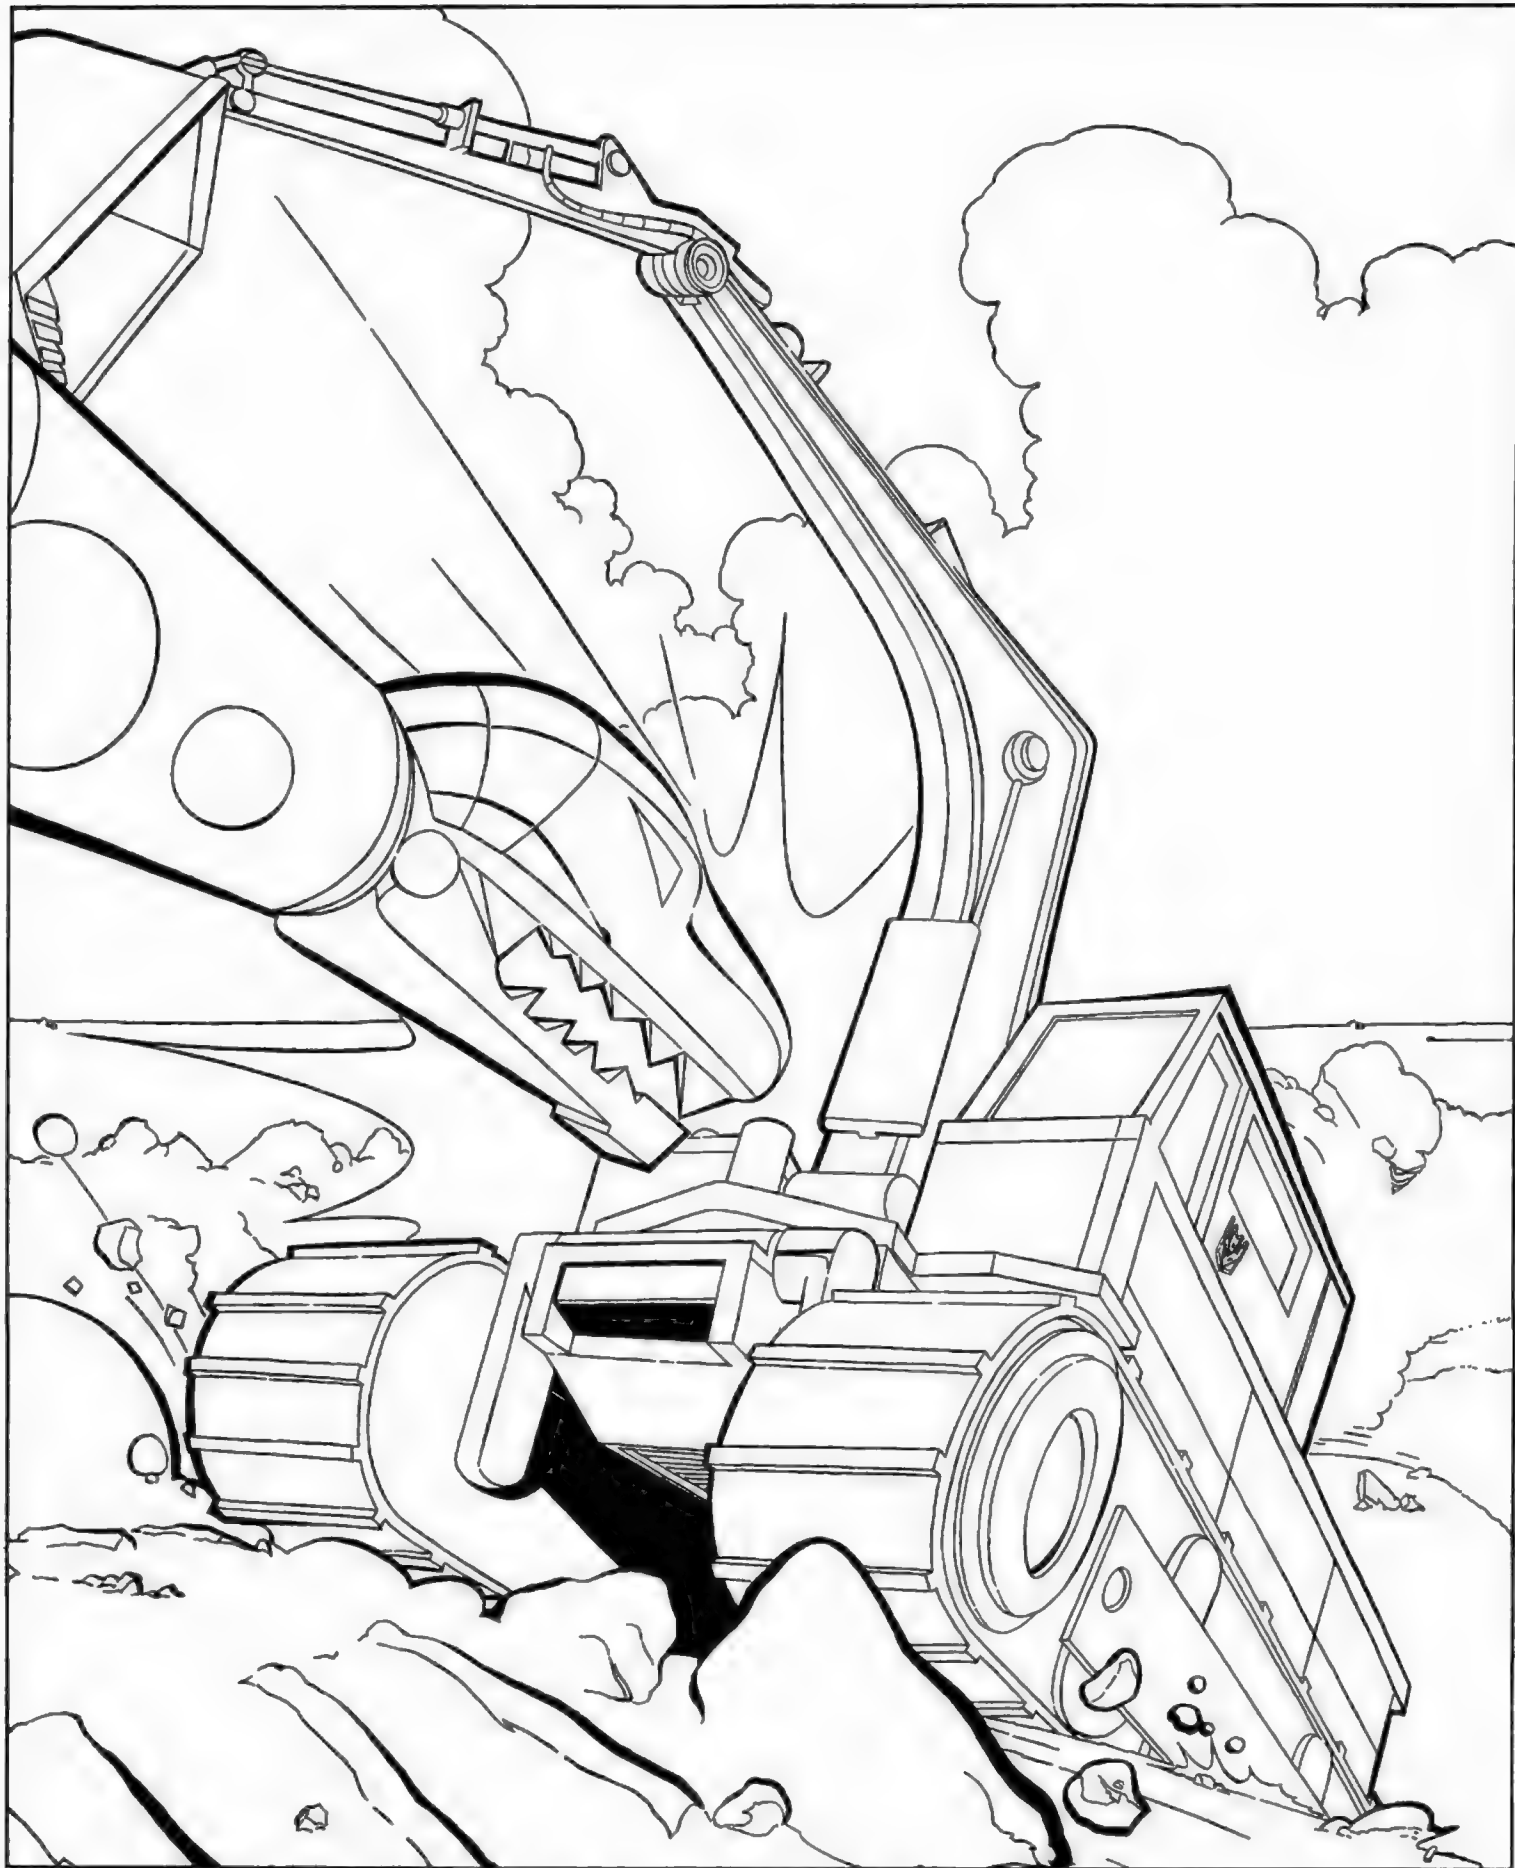

"I didn't order any supplies!" says an angry Shockwave.
"Open up and show me what they are!"

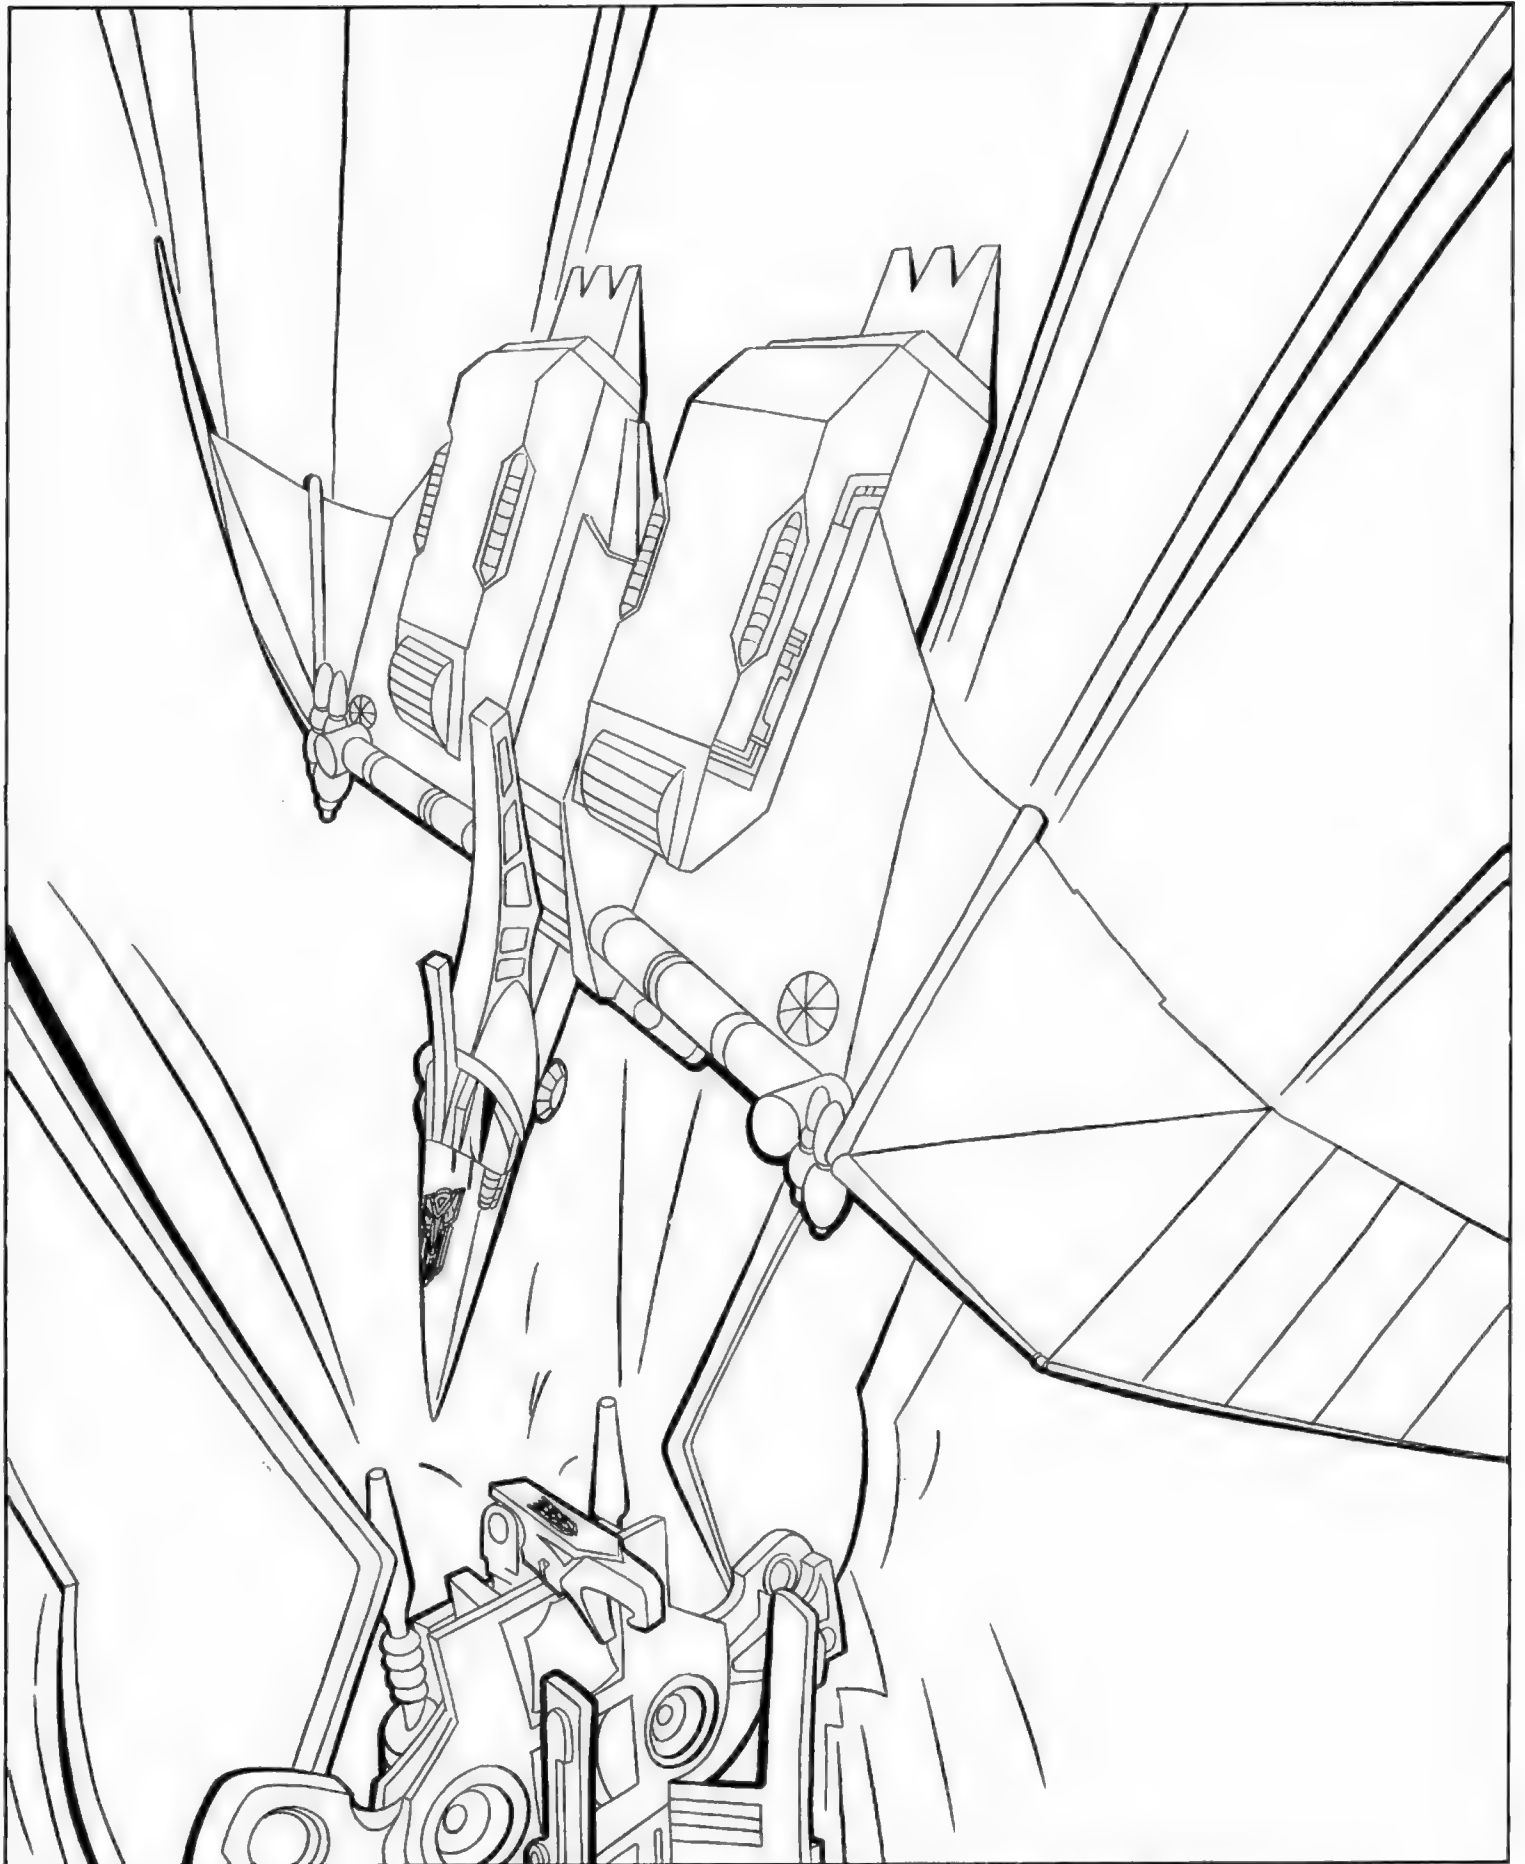

"Your wish is my command," says Optimus Prime.
"Go get them, Dinobots!"

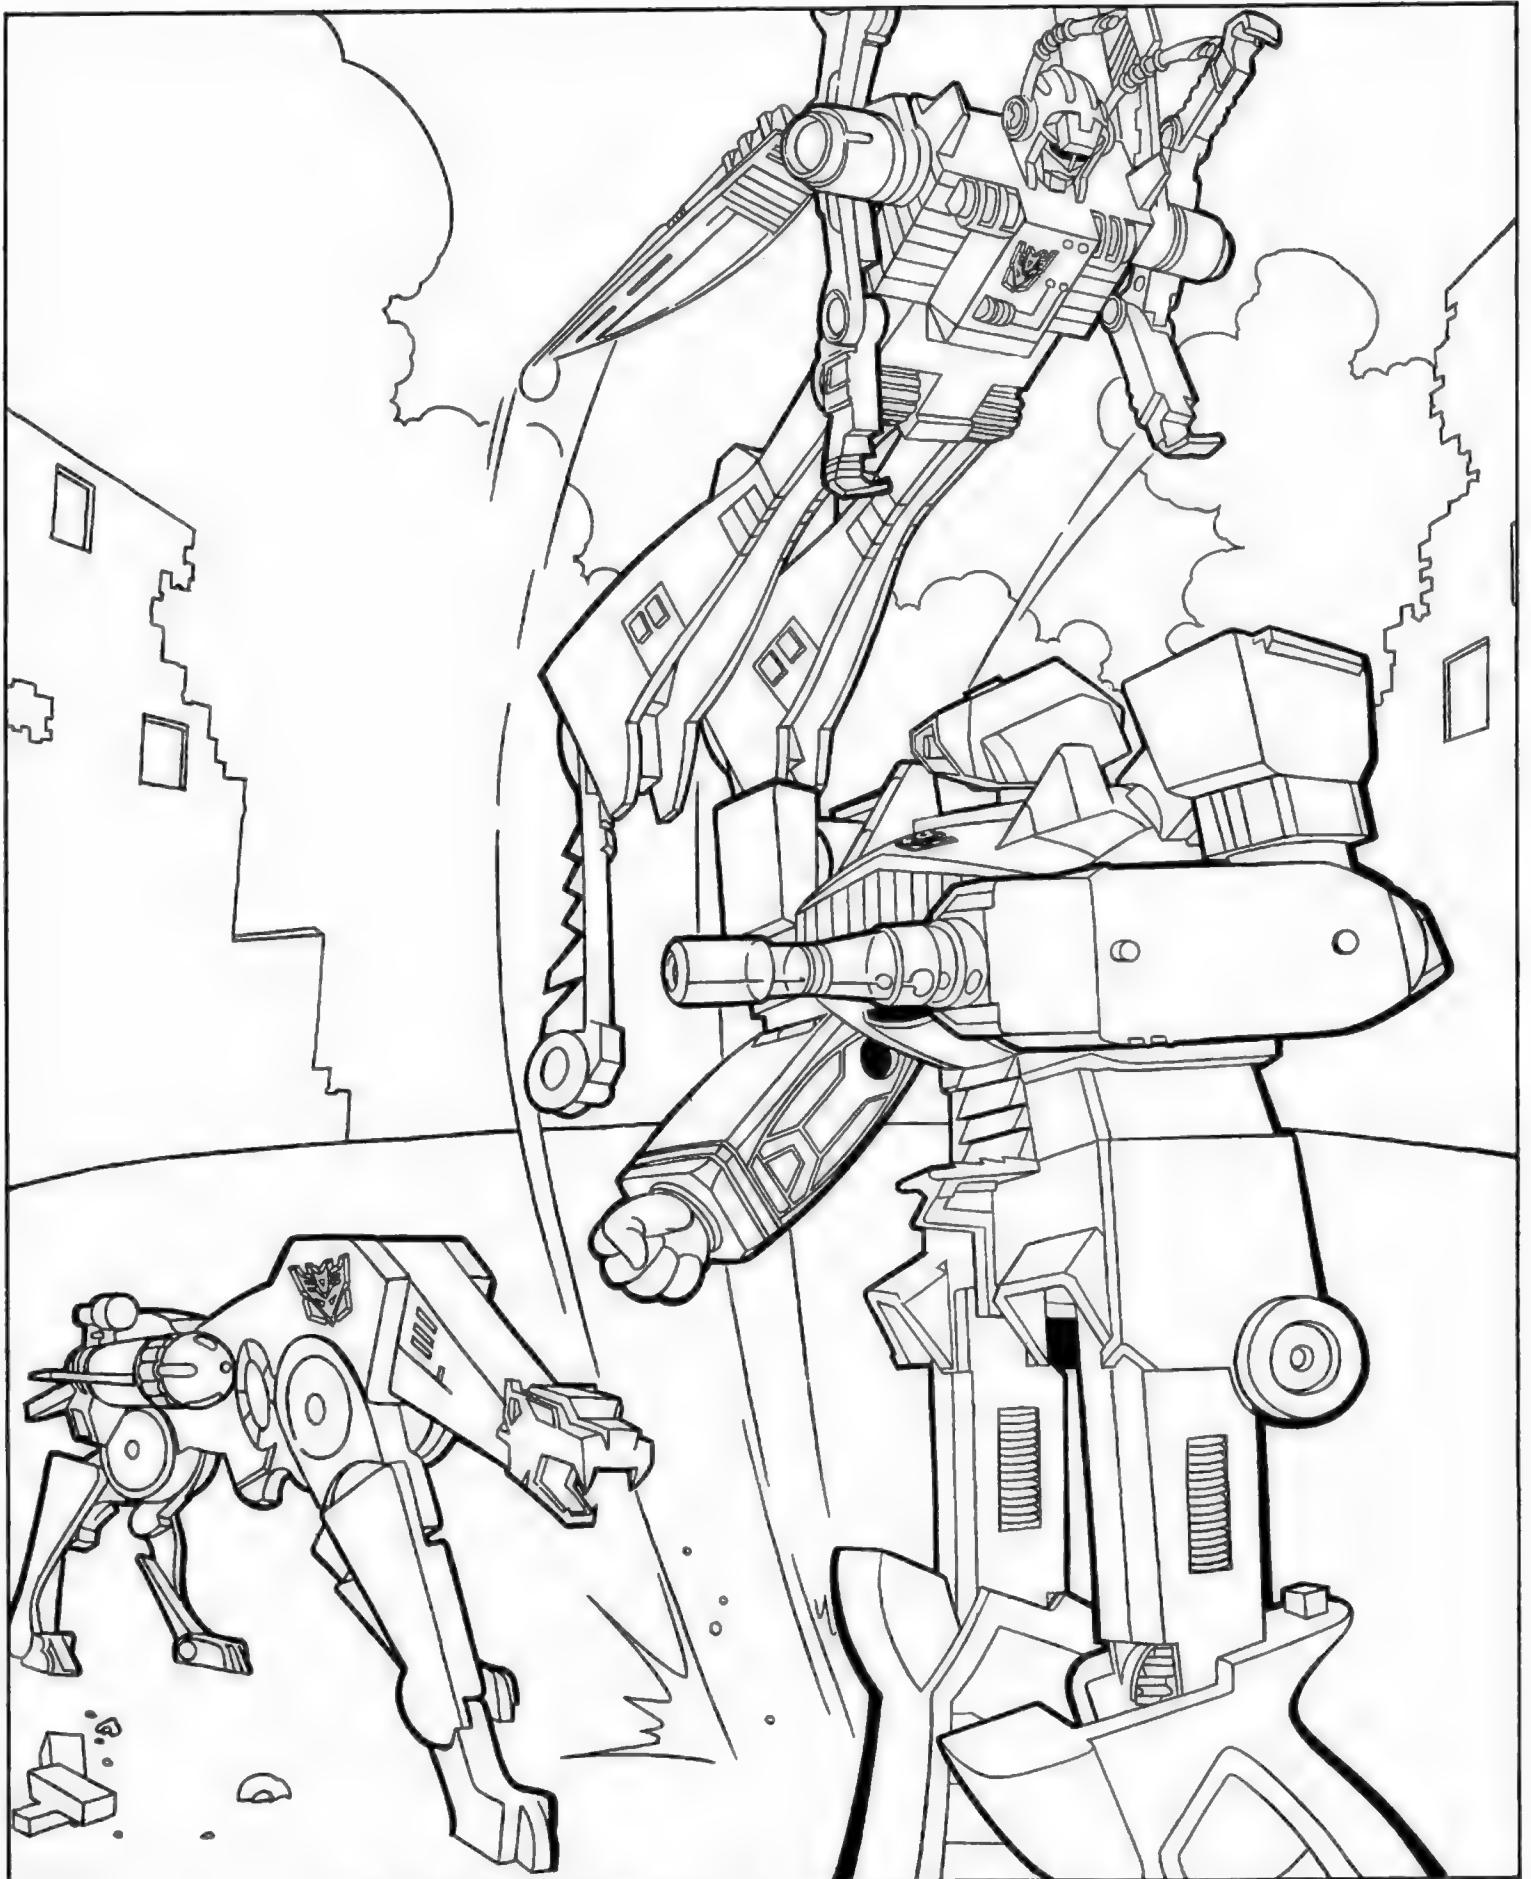

**"Dinobots smash Decepticons!" shouts Slag, the Triceratops.
"Nothing stop Dinobots!" shouts Sludge the Brontosaurus.**

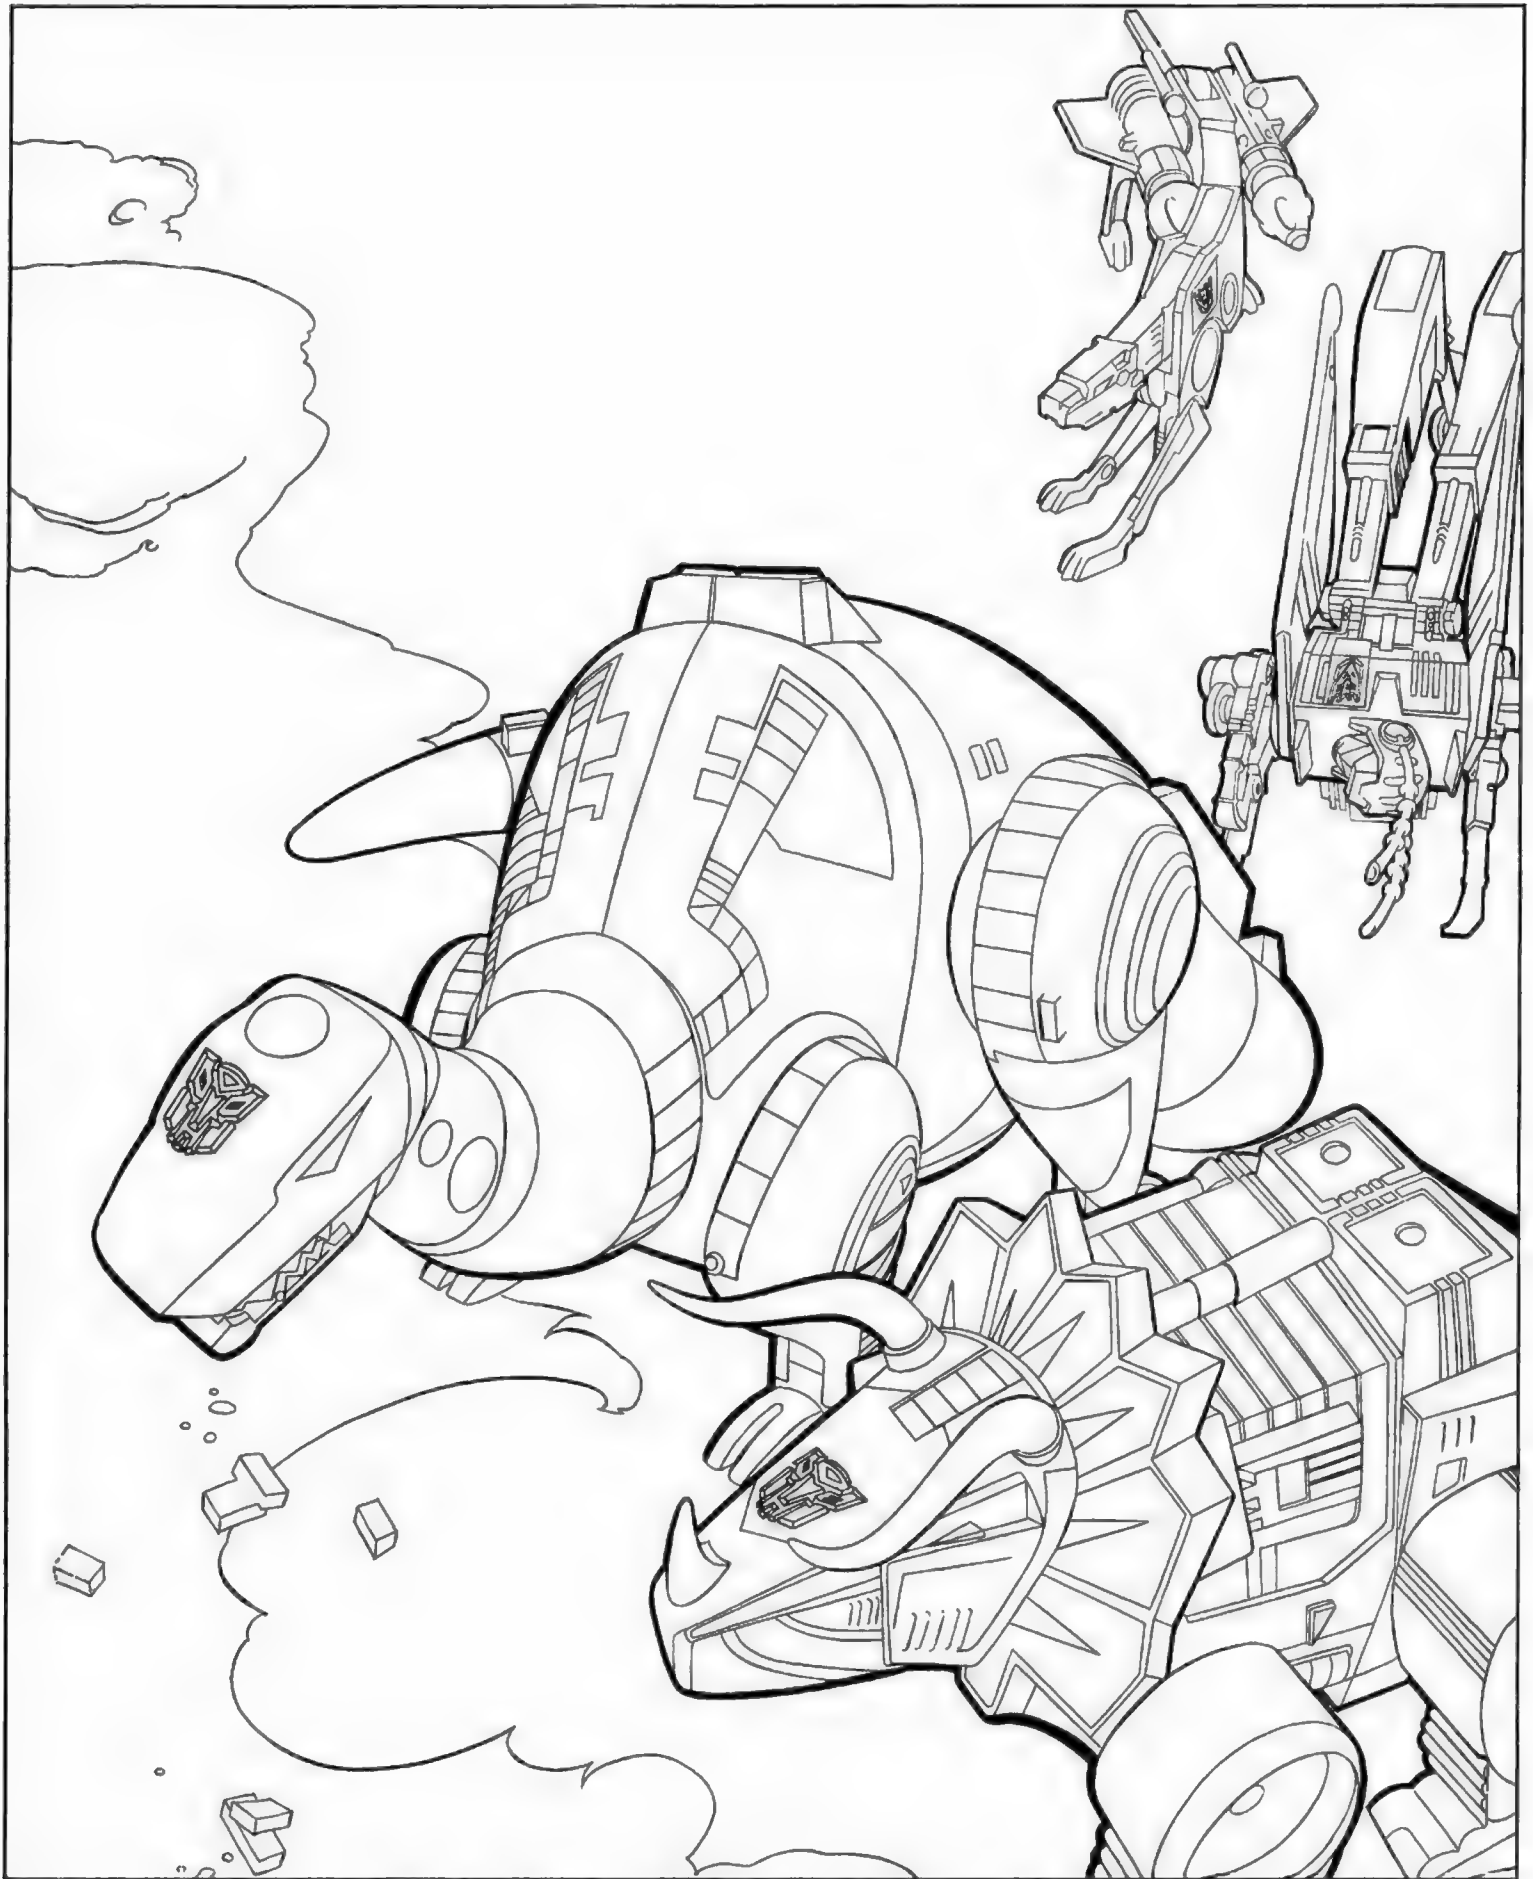

"Scavenger fall down, go crunch!" says Sludge.

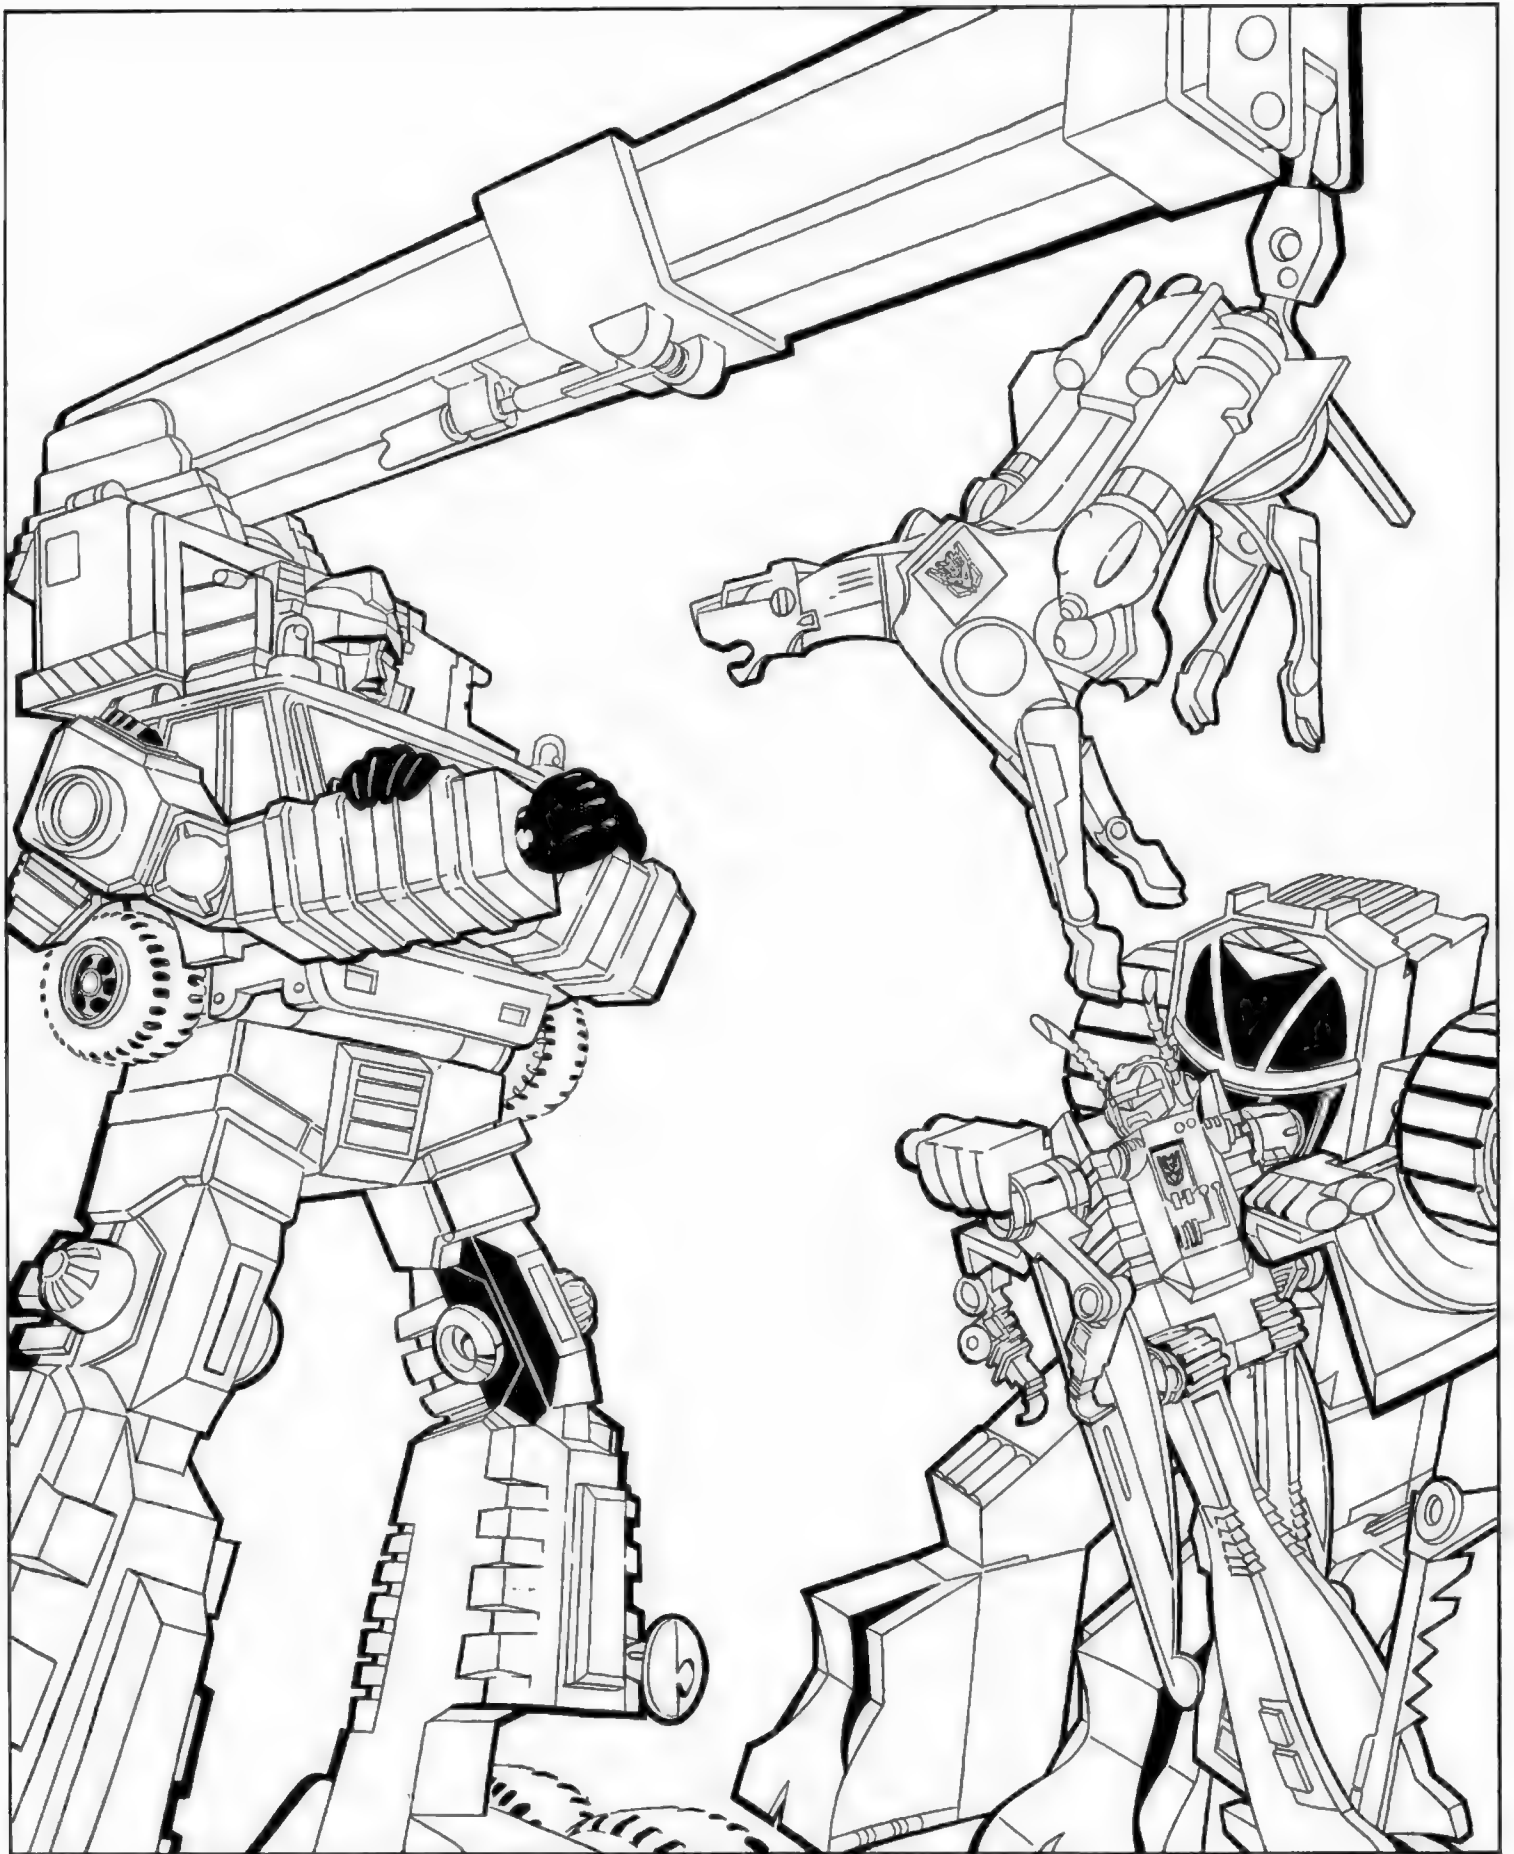

"Yow!" cries the cowardly Laserbeak! "I'd better leave before I
get blown to bits by Swoop!"

"Kickback and Ravage—I want a sneak attack on the Dinobots!" orders Shockwave. "Hit them from behind!"

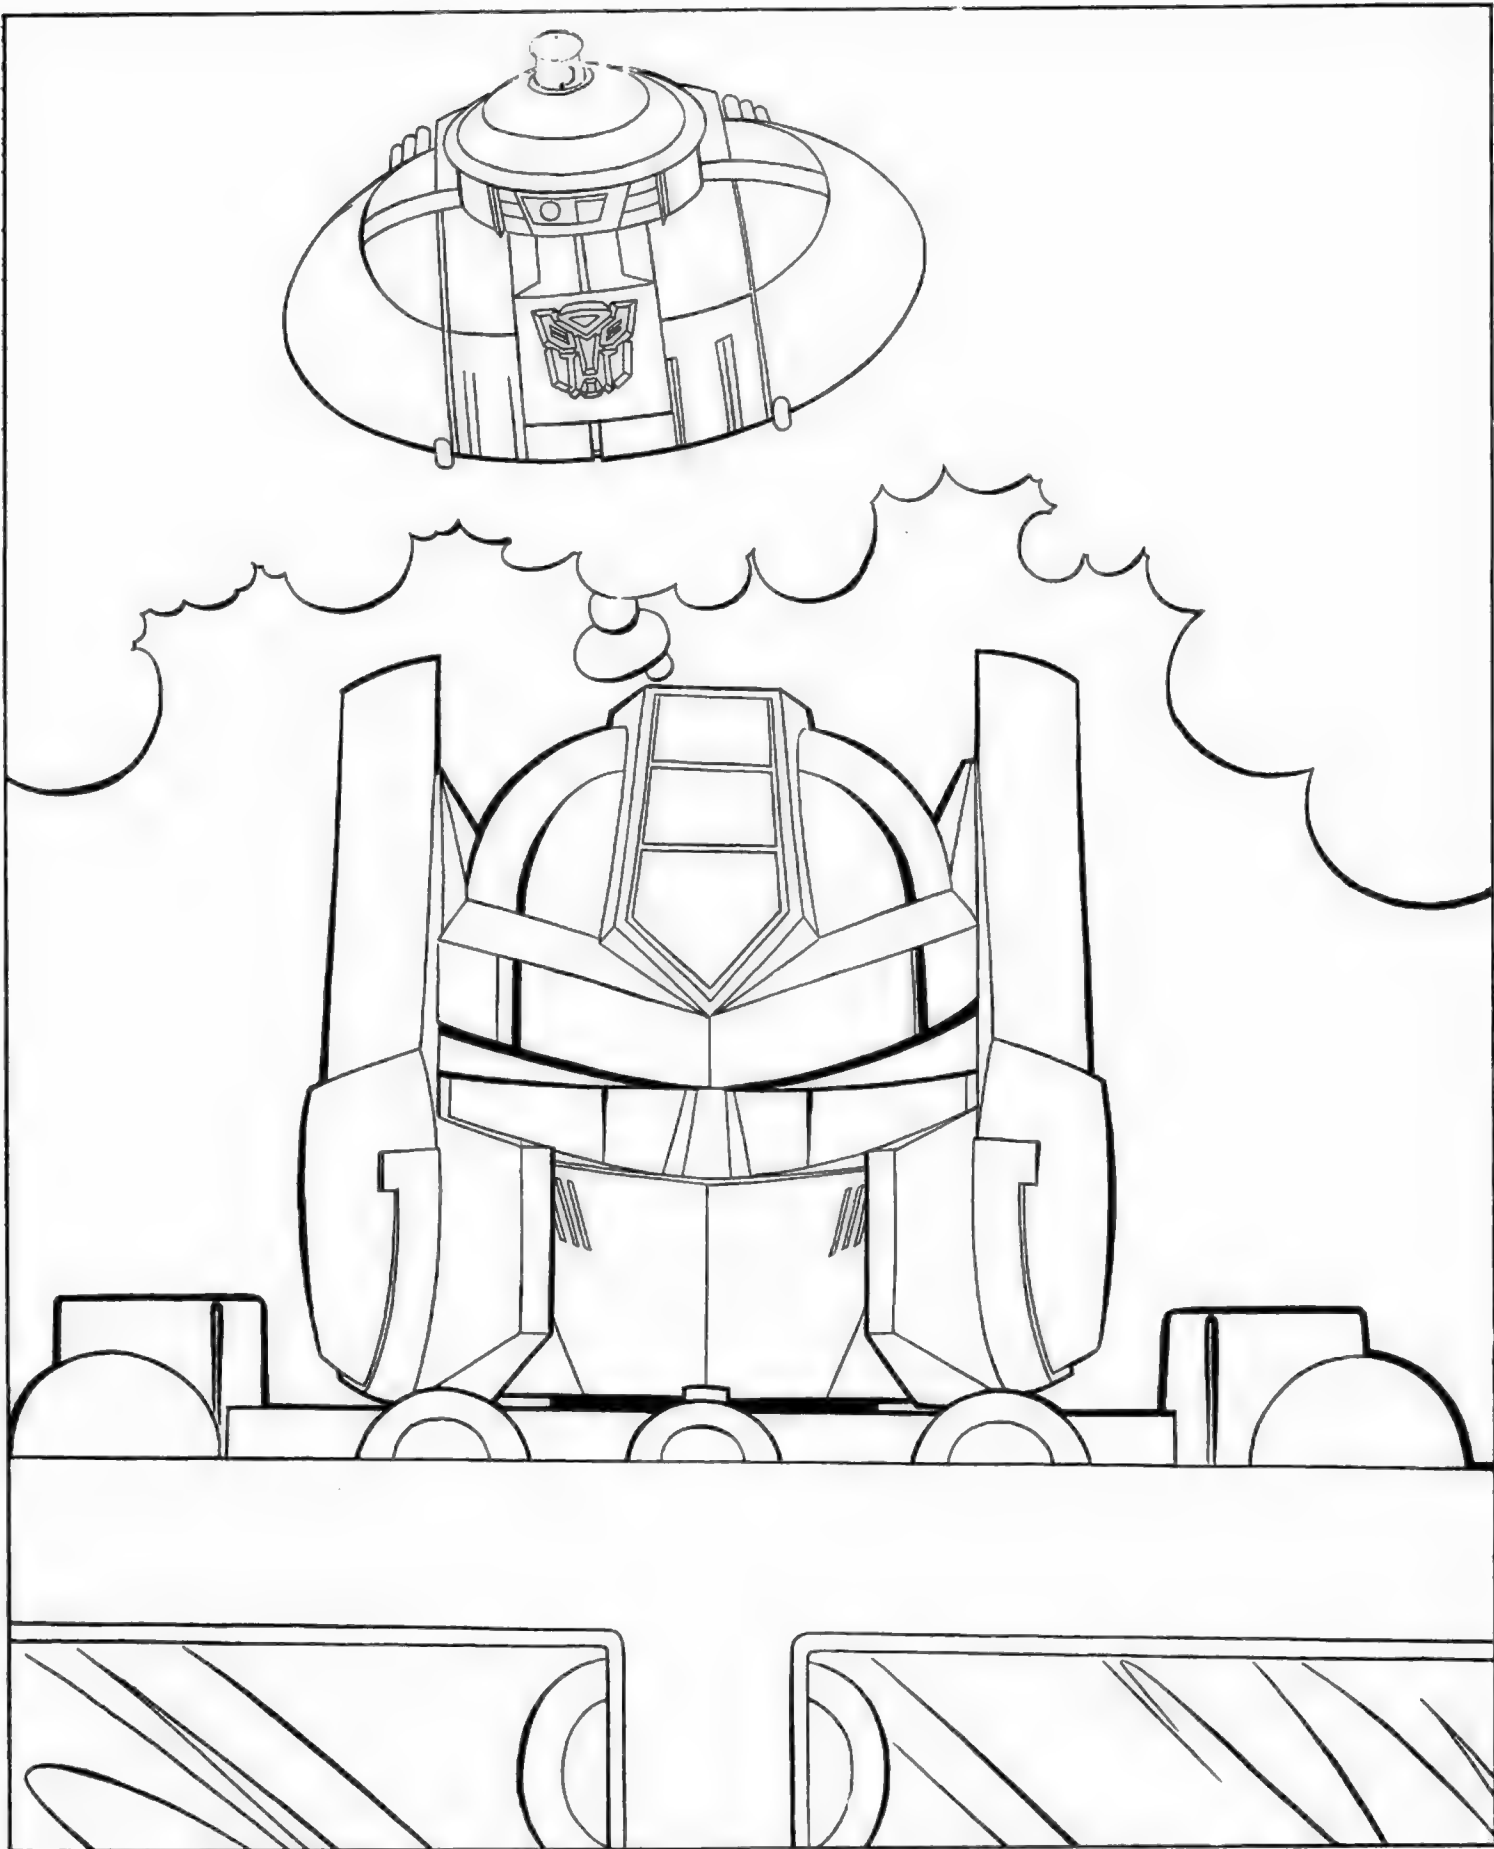

"The Dinobots will never know what hit them!"
chuckles Kickback.

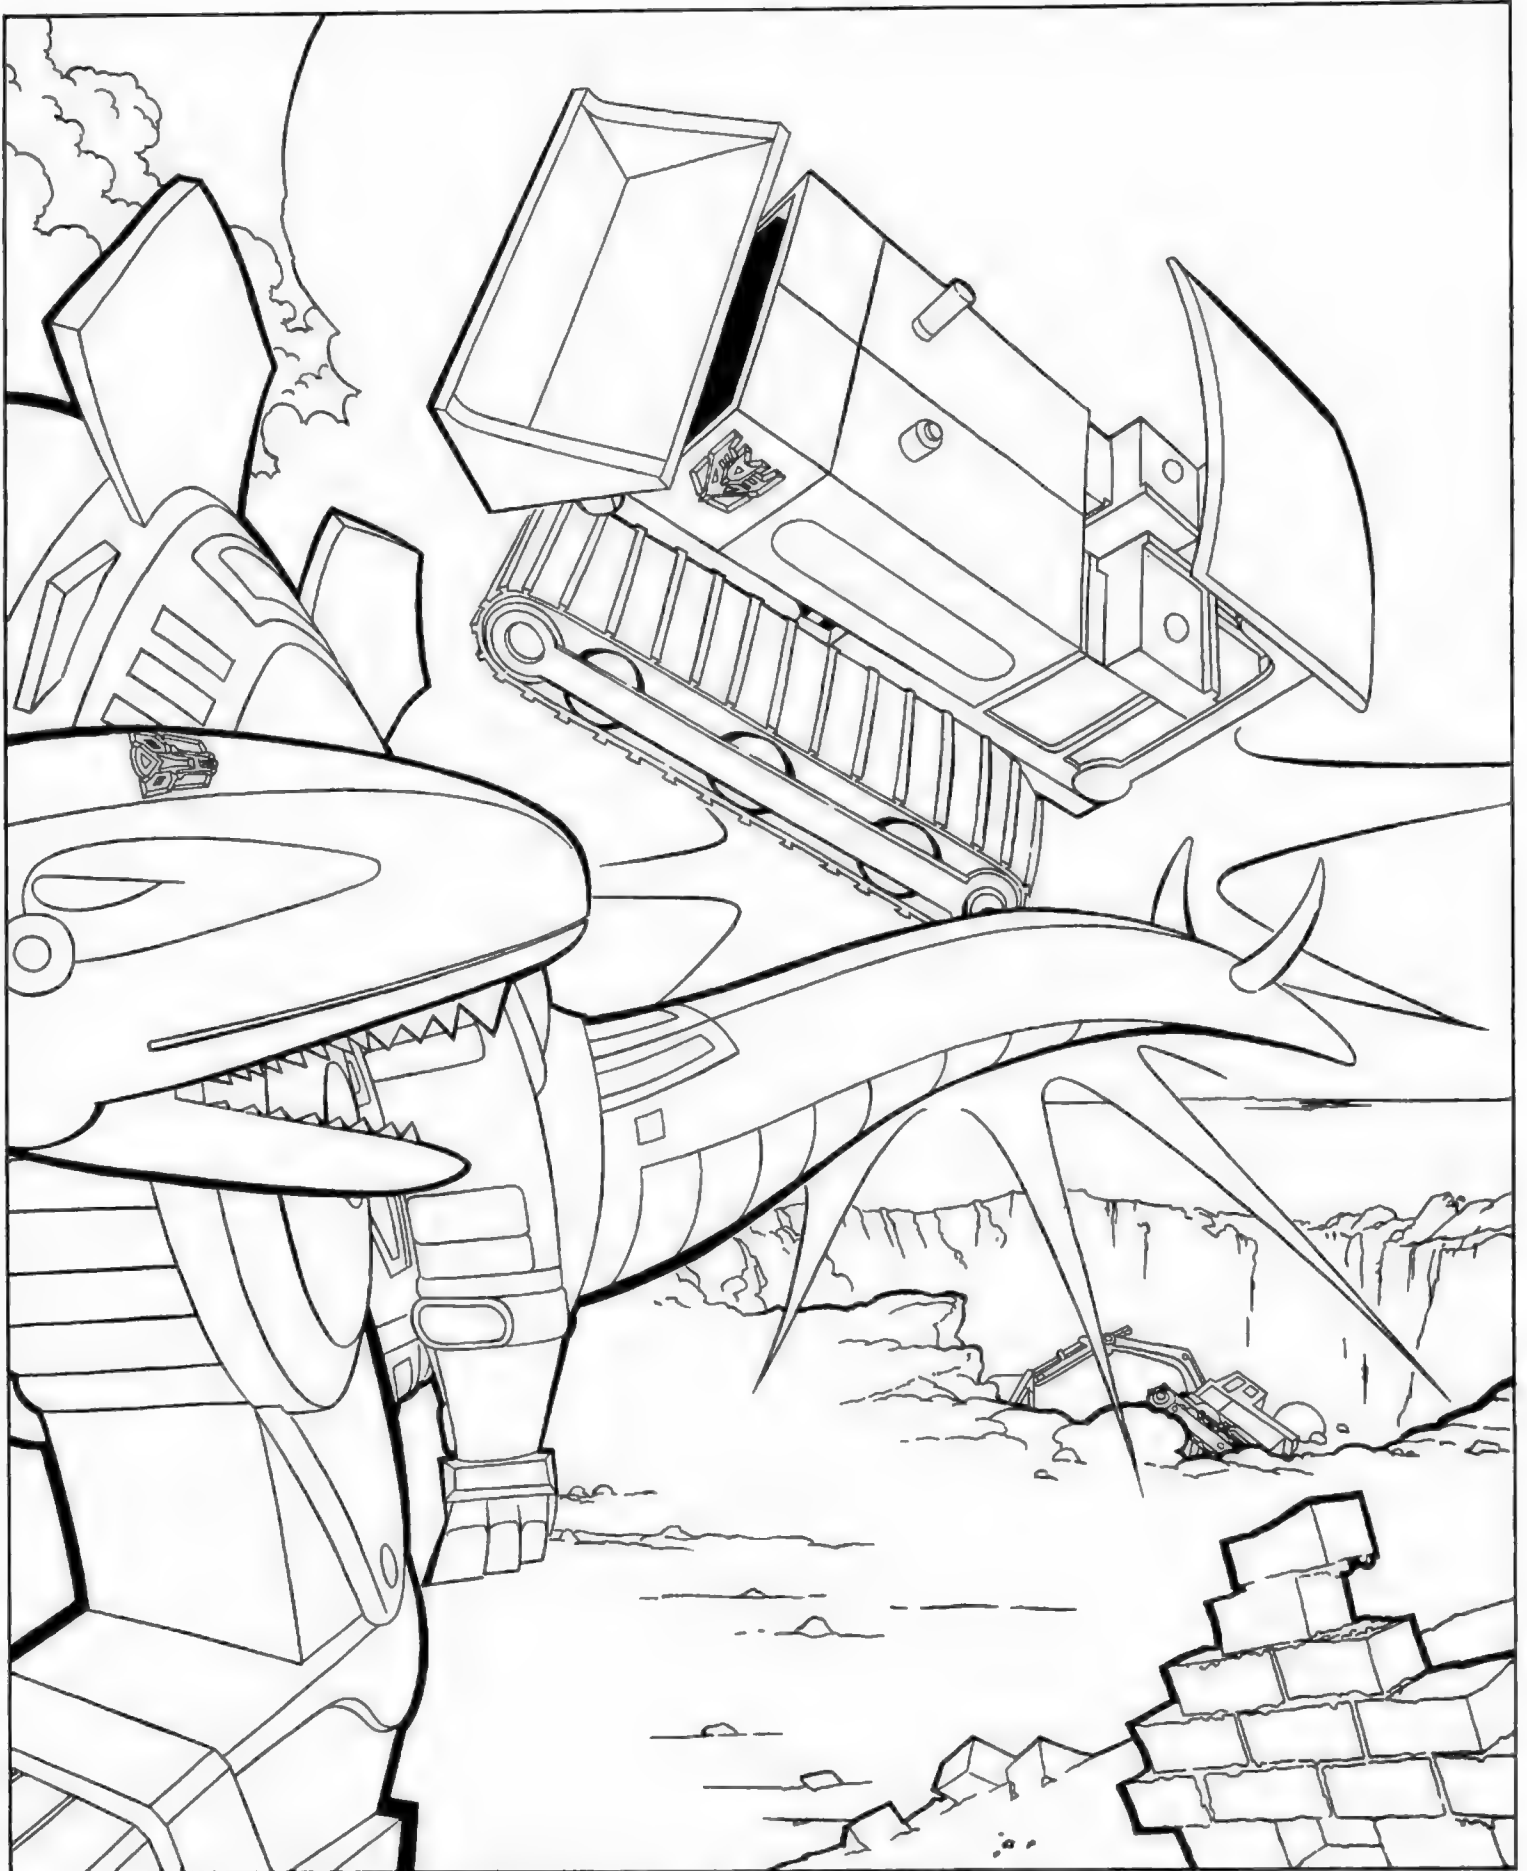

"That's what you think!" says Huffer.

"Right!" says Gears

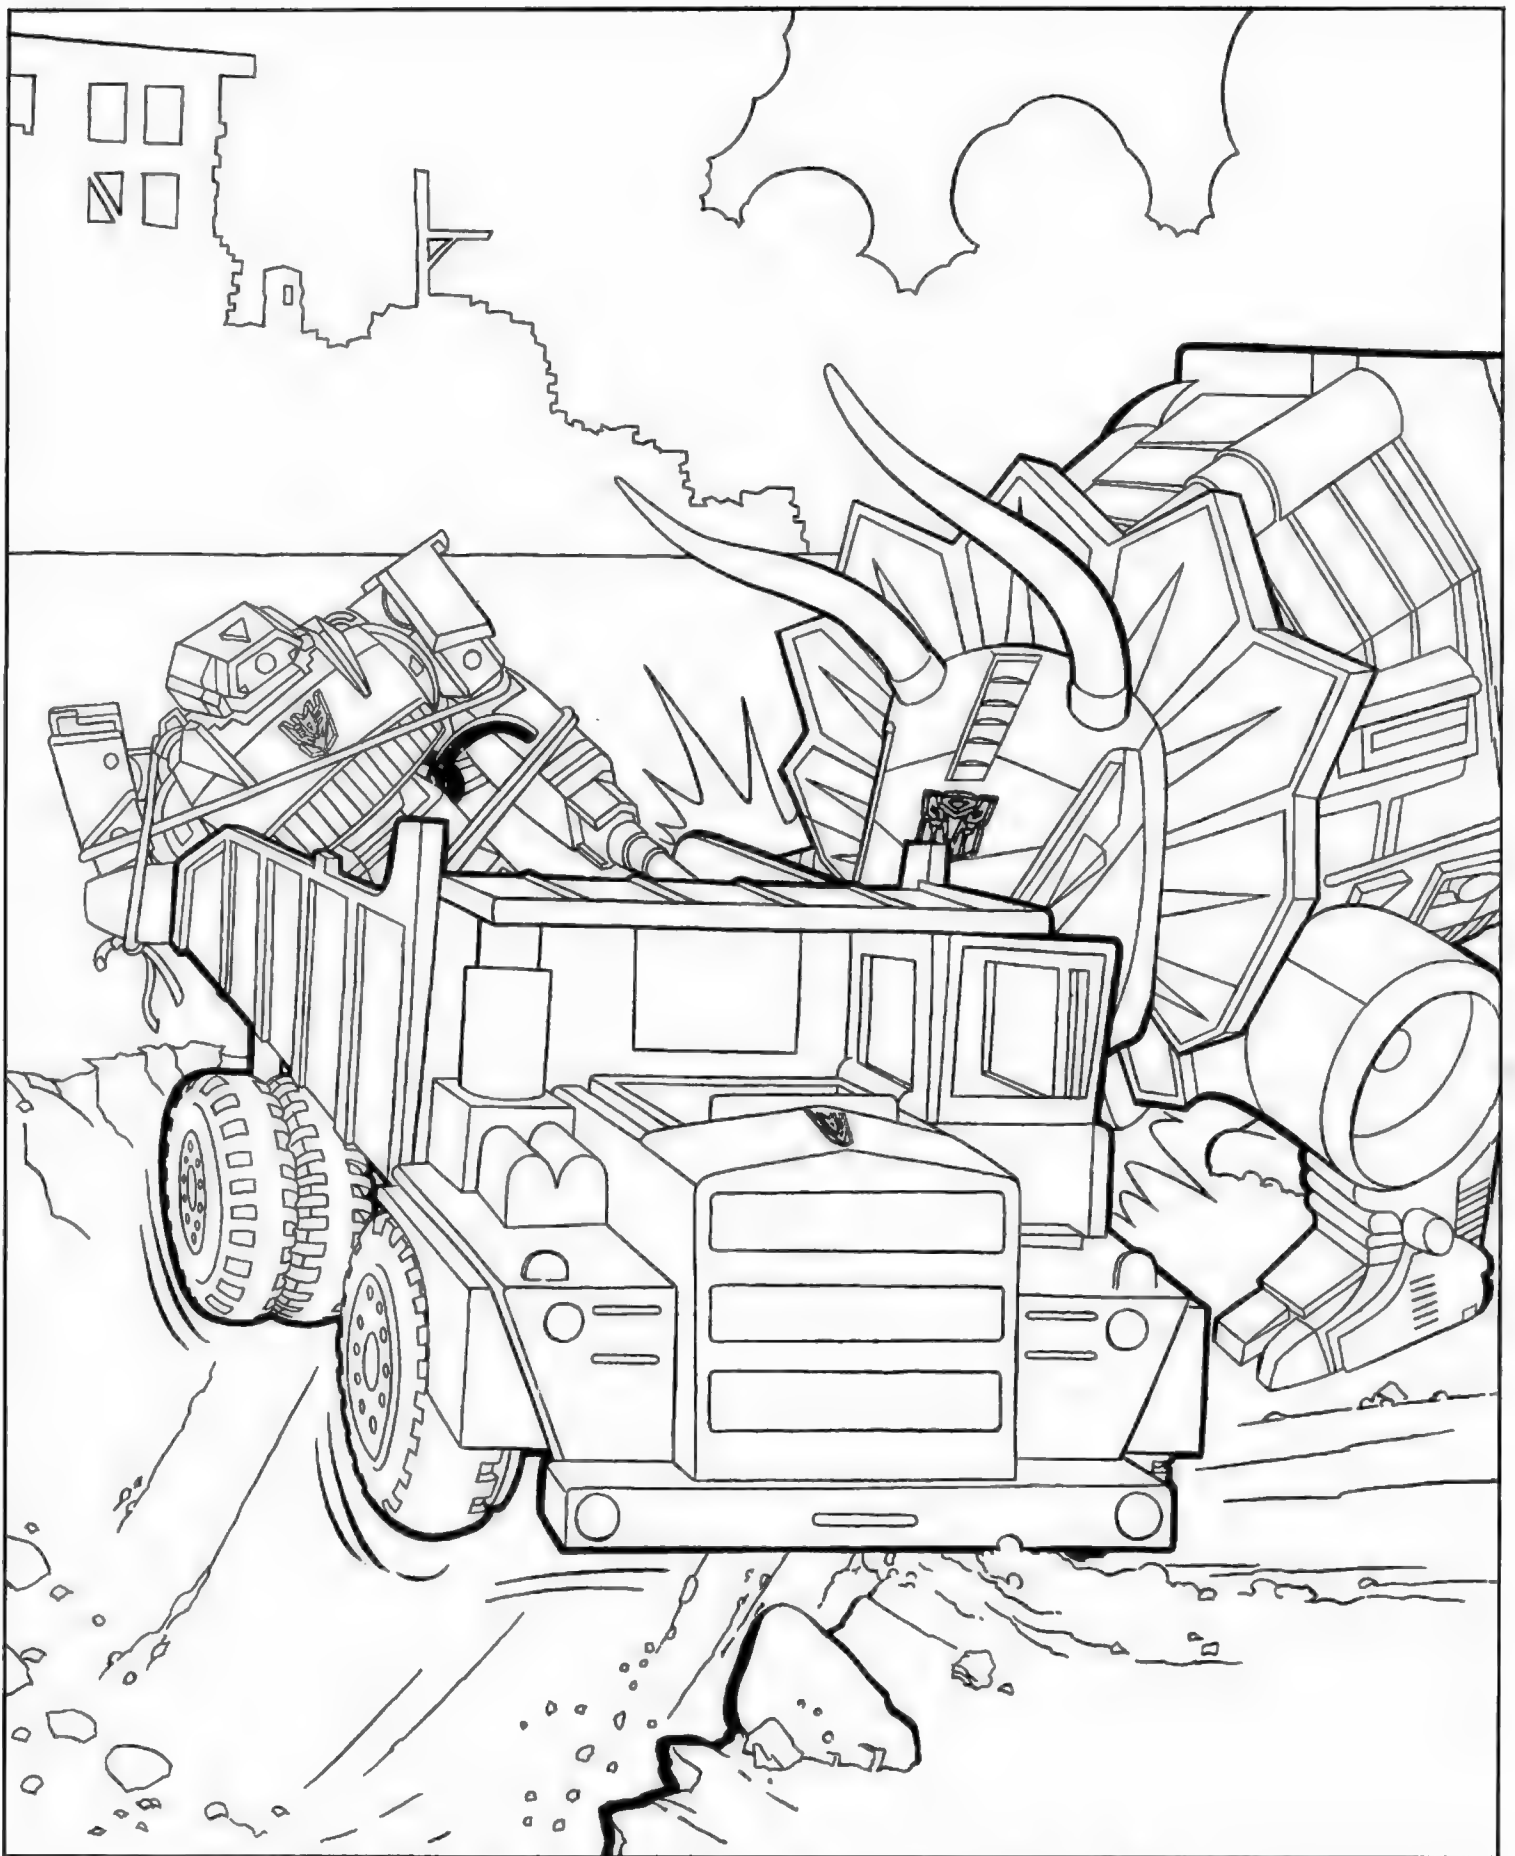

"What?" shout Kickback and Ravage in surprise. "How did you find us?"

"We have an Autobot Spy in the Sky!" says Optimus Prime. "His name is Cosmos, and he warns us about every move you make!"

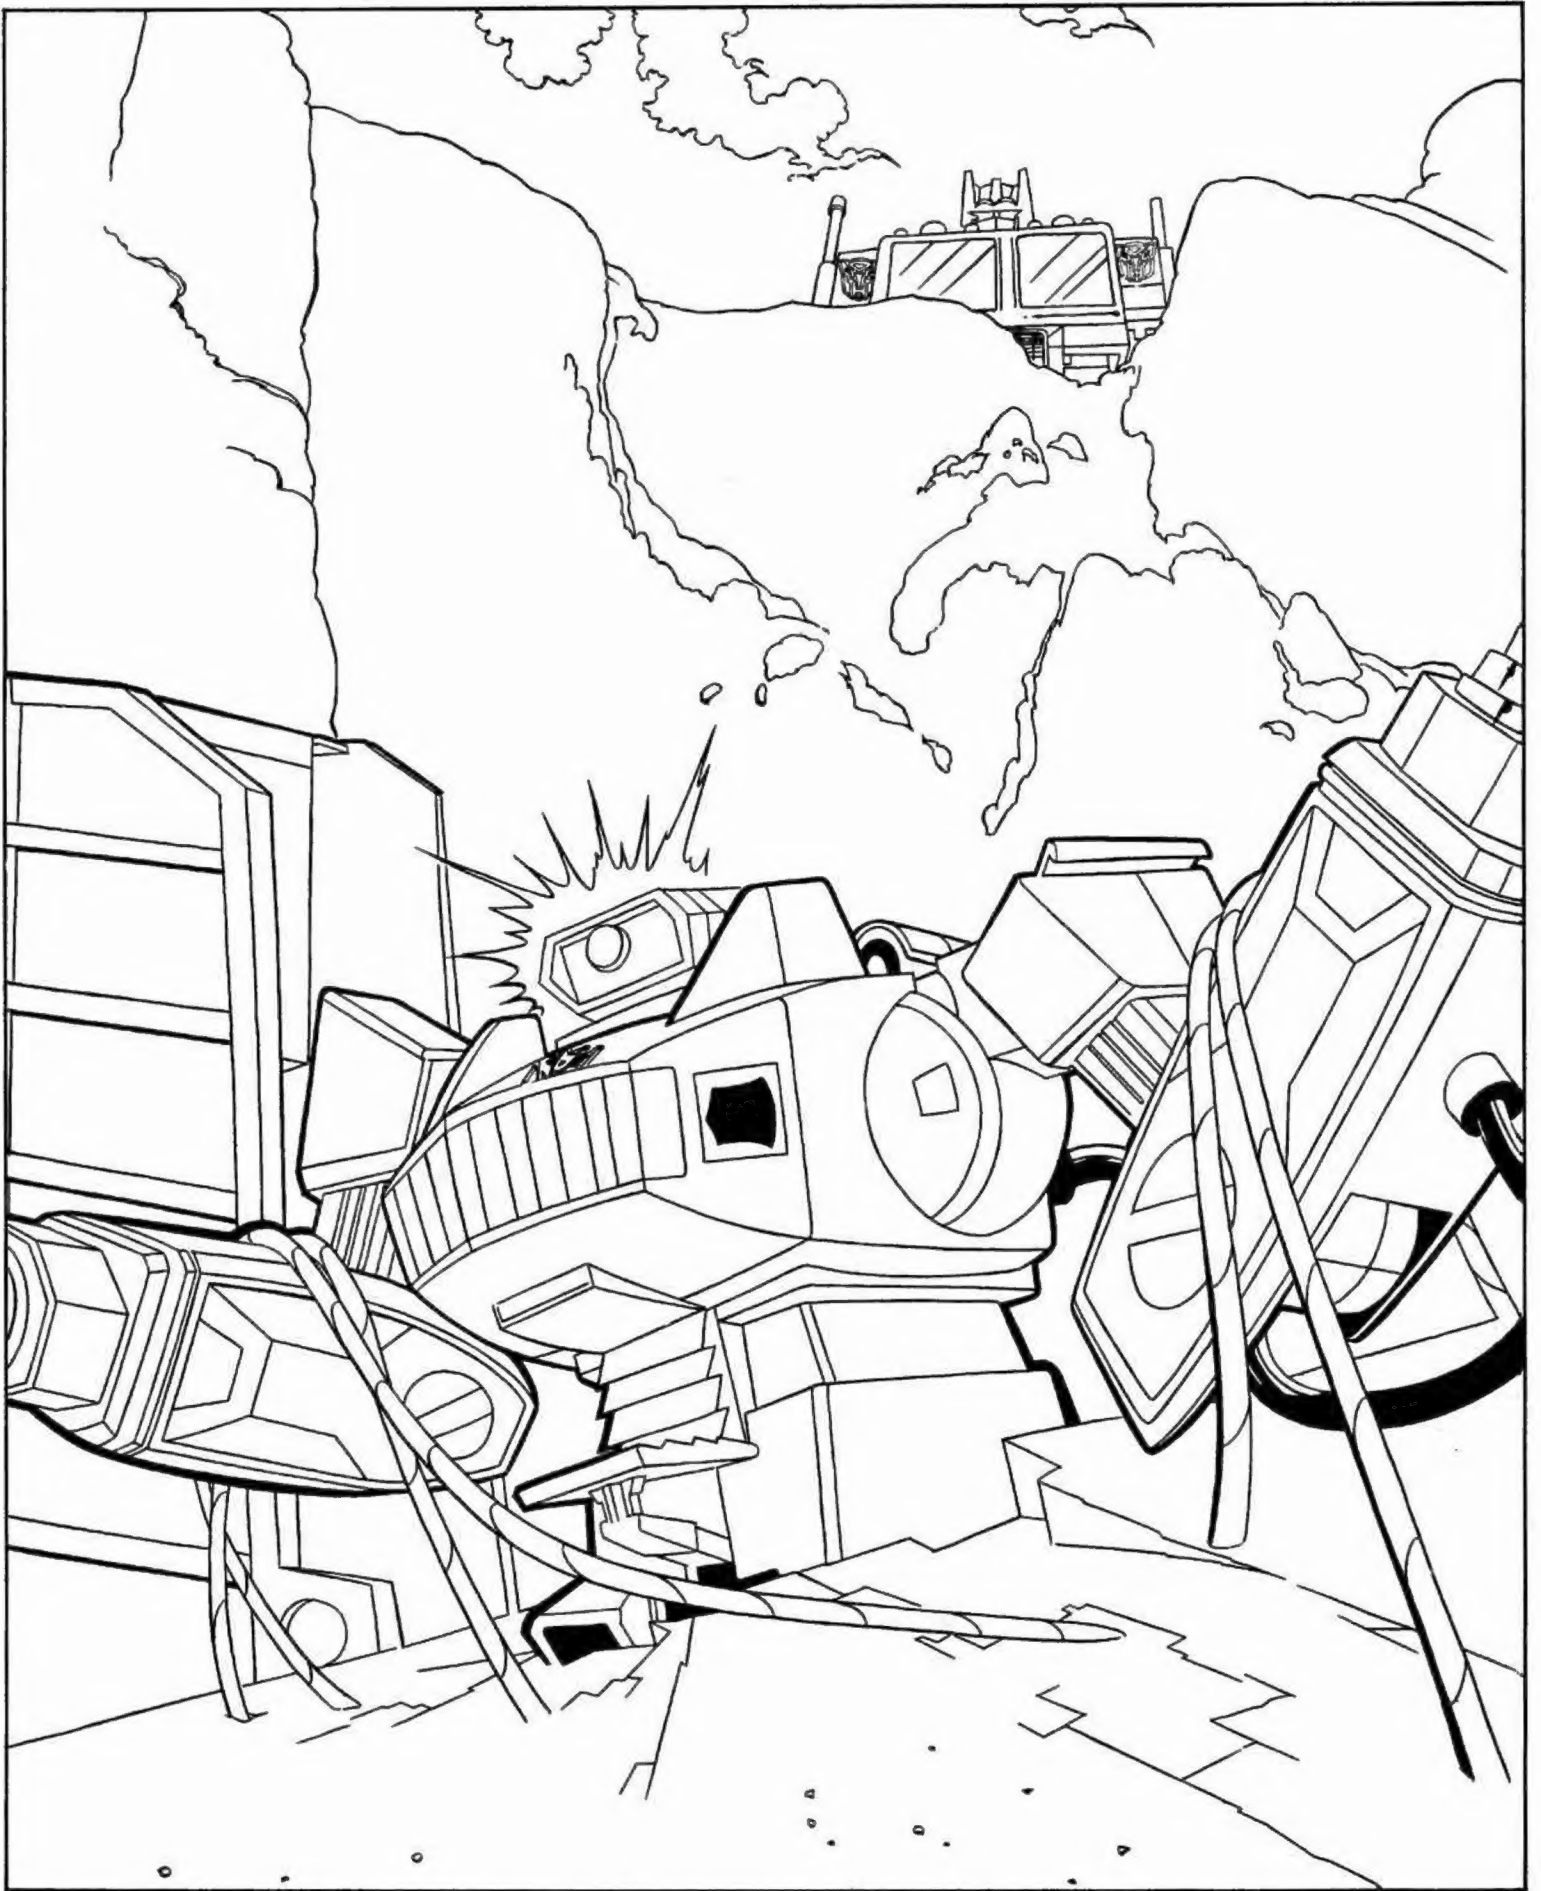

"Bonecrusher go bye-bye!" says Snarl.

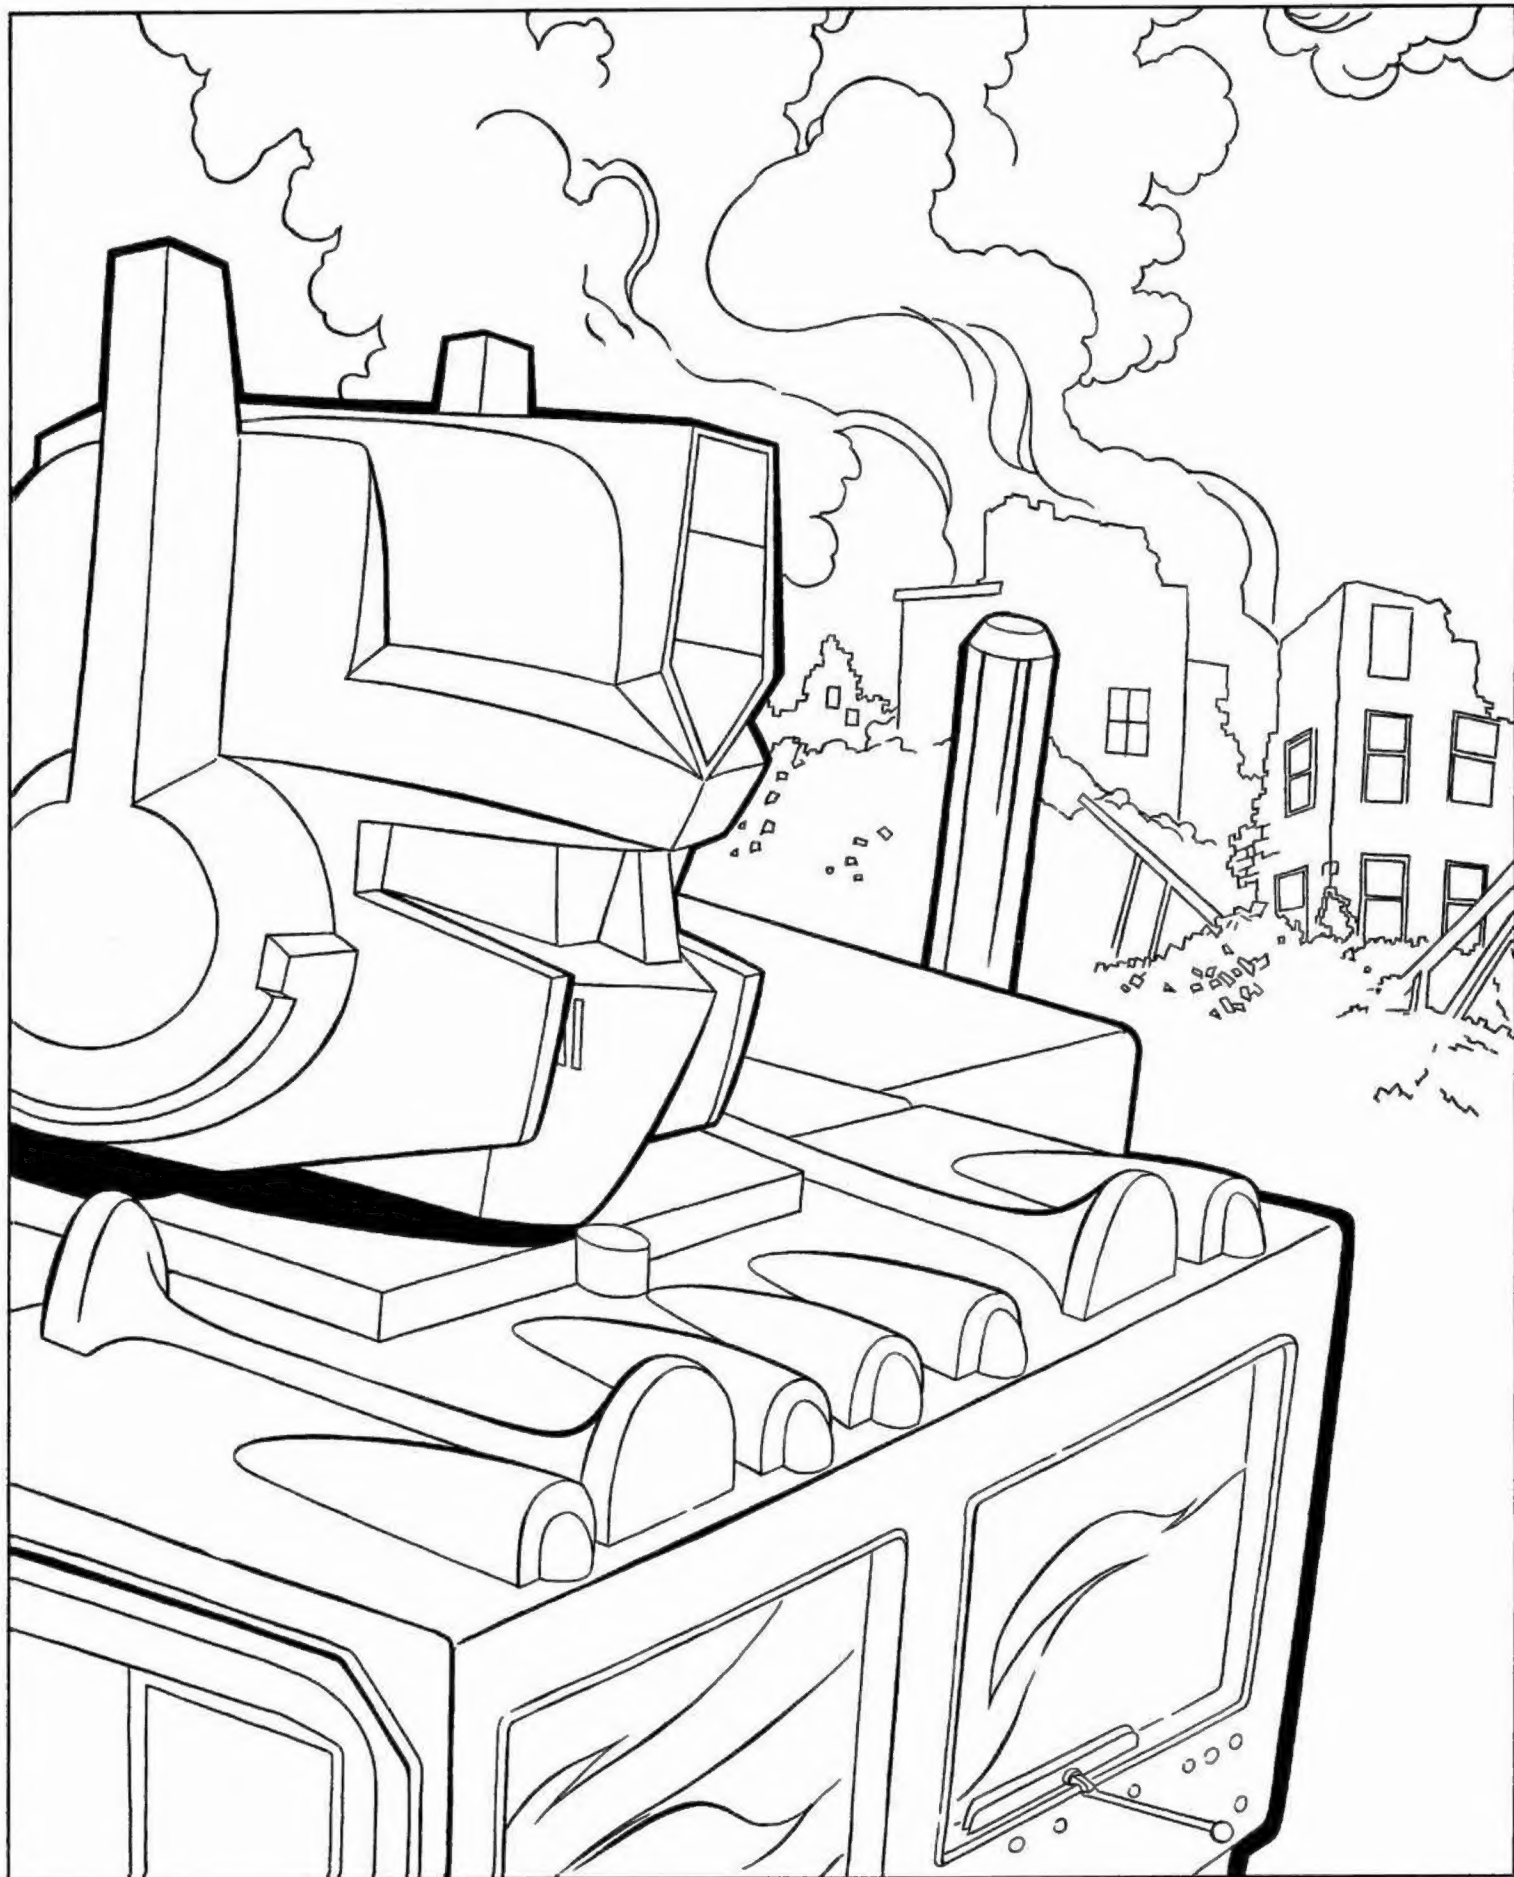

"Now Shockwave and Long Haul take trip!" says Slag.

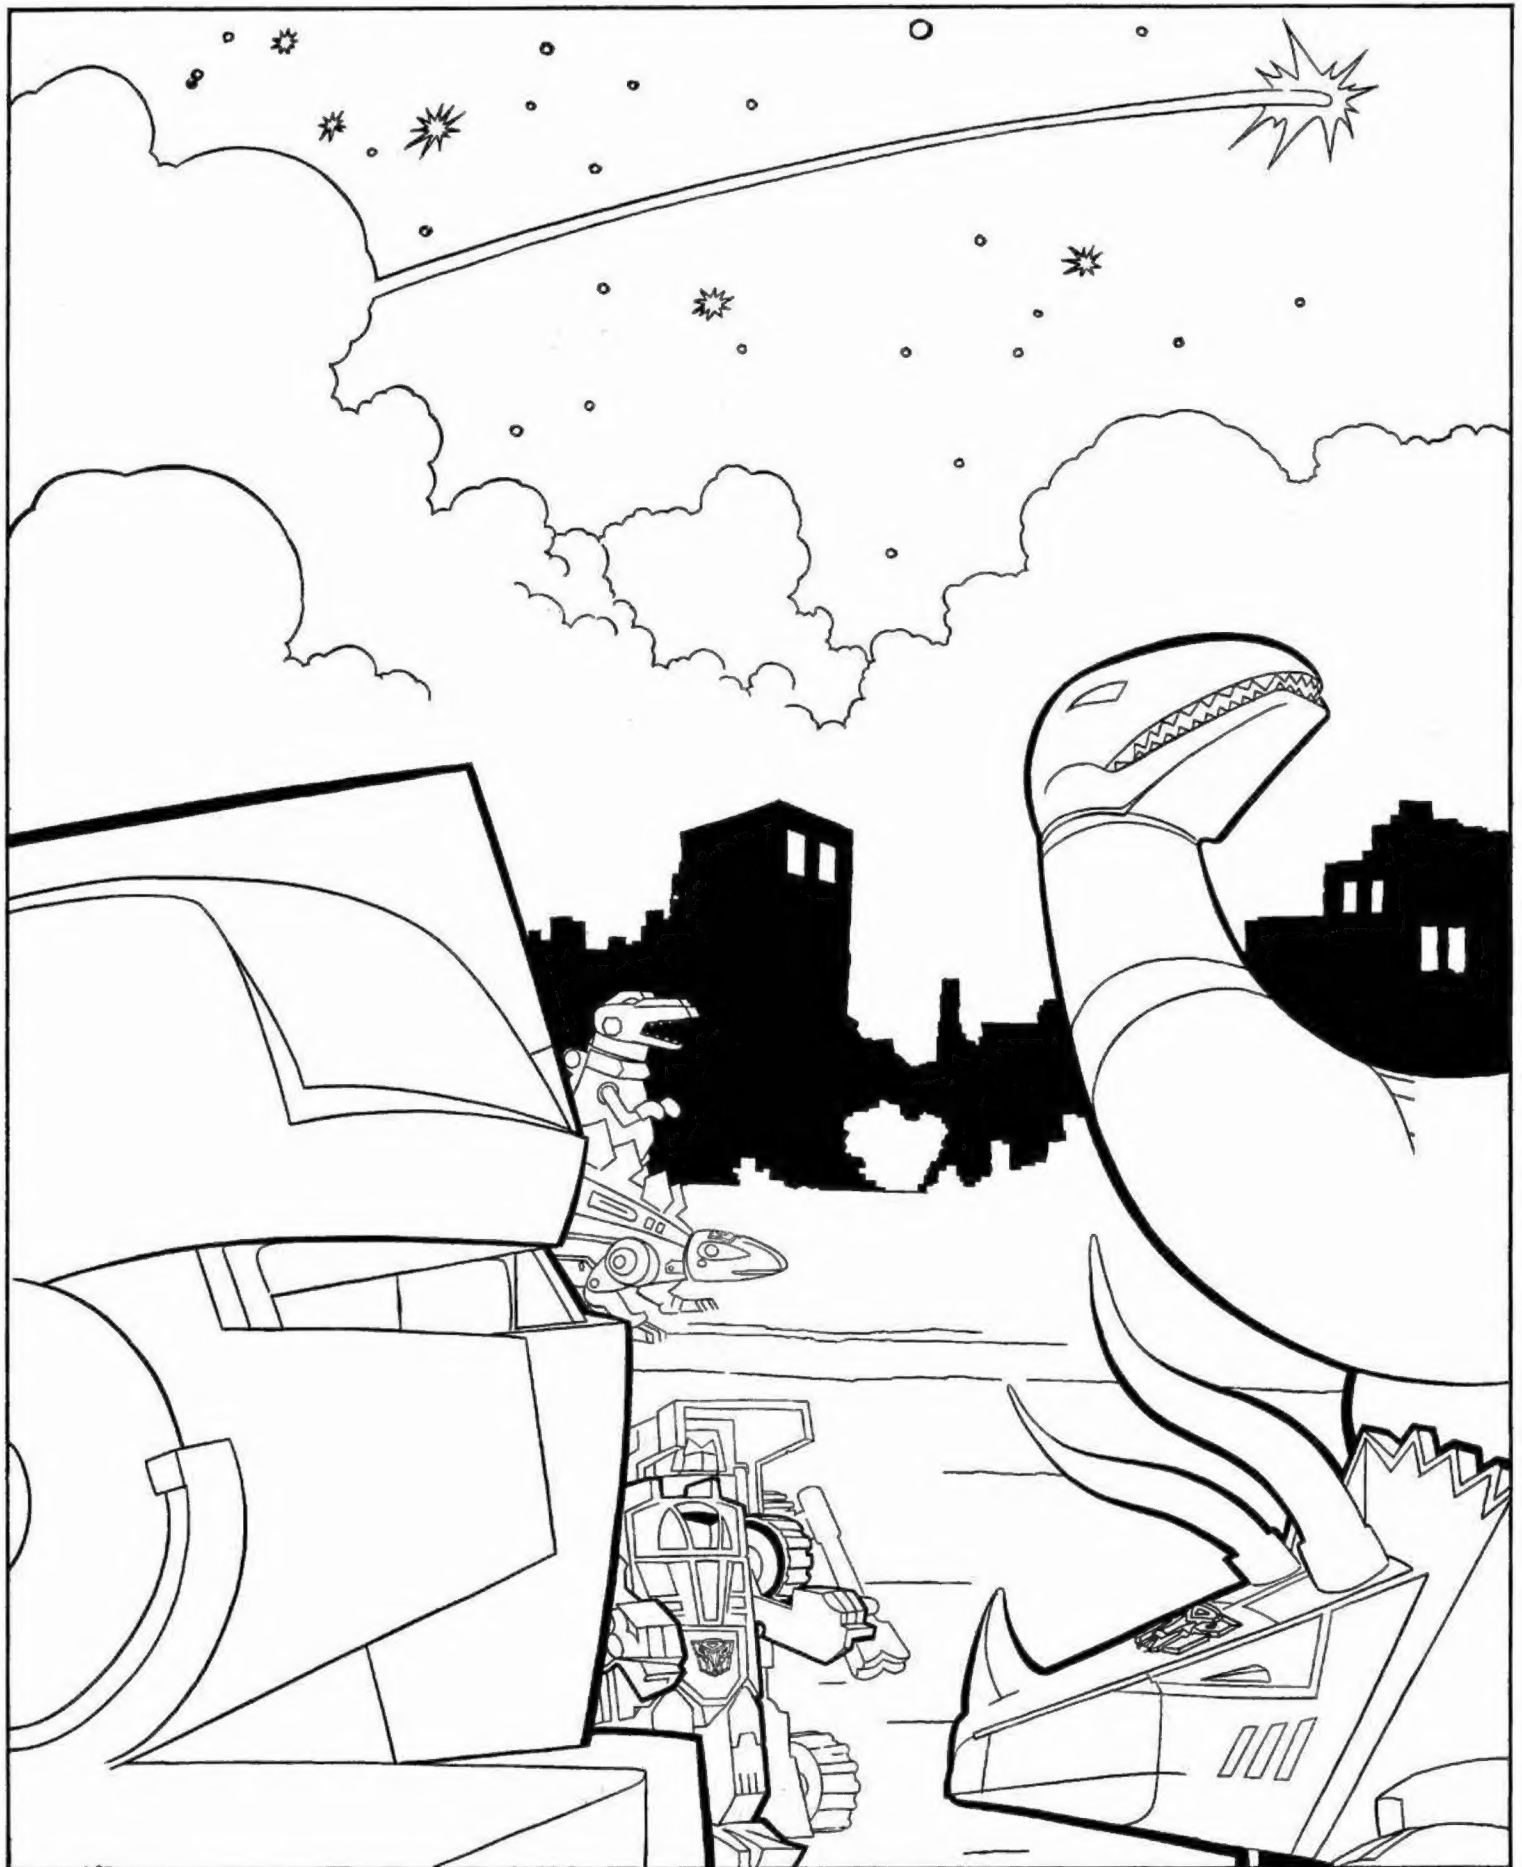

"Optimus Prime want Decepticons to stick around!"
says Grimlock.

"Oh no!" shouts Shockwave. "This is quick-drying cement!
We can't move!"

"That's the idea!" says Optimus Prime. "That way you won't get into any more trouble!"

"We won a big battle today!" says Optimus Prime. "But we couldn't have done it without Cosmos' help. Thanks, Cosmos!"
